He also informed the board that if they have any questions they can e-mail him or e-mail Donna and she will make sure he gets them. Meghan asked Anita Petrich, Patient’s Rights Advocate for her input on the new policy. Anita stated that it looks like what they have done in the past with the exception of the Sliding Scale that she did not see in the policy. She also stated that the letting attached in the policy needs to be changed so that it speaks to the client. The current letter is too confusing and the clients will not understand. On the Transitions phase, Anita asked if she could be on the team.
