DEPARTMENT: Public Works Solid Waste & Recycling

RECOMMENDED ACTION AND JUSTIFICATION:
Approve Mariposa Public Works (MCPW) Solid Waste & Recycling Division’s request to apply for the Department of Conservation (DOC) County Payment Program (SB332) Funding Grant for fiscal year 2009/10 to expand the community’s beverage container recycling program.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The Board of Supervisors has always promoted recycling in Mariposa County. The proposed DOC grant would help expand recycling opportunities and increase the recycling rate in Mariposa County.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
Currently the state mandates a 50% recycle rate which Mariposa county is having difficulty achieving. This program will show a good faith effort to increase recycling and defer any fines that may be imposed.

CAO: ____________________
Pursuant to Section 14581(a)(5)(A) of the California Beverage Container Recycling and Litter Reduction Act, the Department of Conservation (Department) is distributing $10,500,000 in fiscal year 2009/2010 to eligible cities and counties specifically for beverage container recycling and litter cleanup activities.

The goal of the Department’s beverage container recycling program is to reach and maintain an 80 percent recycling rate for all California Refund Value (CRV) beverage containers - aluminum, glass, plastic and bi-metal. Projects implemented by cities and counties will assist in reaching and maintaining this goal.

Eligible Participants

Incorporated cities and counties and unincorporated counties in California, as identified by the California Department of Finance, are eligible to receive funding under this program.

Allocation of Funds

Each city is eligible to receive a minimum of $5,000 or an amount calculated by the Department, on a per capita basis, whichever is greater.

Each county is eligible to receive a minimum of $10,000 or an amount calculated by the Department, on a per capita basis, whichever is greater.

The per capita amount is calculated, based upon the population. As of January 1, 2008, in the incorporated areas of a city, city and county, or the unincorporated area of a county, as stated in the Annual City/County Population and Housing Estimate Report submitted to the Governor by the California Department of Finance.
