RE: Behavioral Health Contract for Residential Alcohol and Drug Treatment
    Services with Changing Echoes

Recommendation

It is respectfully requested that your Board: (1) approve continuing a Behavioral Health contract
for residential alcohol and drug treatment services with Changing Echoes; and (2) authorize
your Chairman to sign the contract.

Background/Current Situation

This County does not operate residential alcohol and drug treatment facilities and therefore
contracts for such services.

The Alcohol and Drug Advisory Board is aware of the fact that there is a need for residential
treatment for those individuals who cannot stay clean and sober through utilization of groups
offered in the recovery community, traditional services and Heritage House.

The current contract was approved by your Board on May 22, 2008 by Resolution No. 08-237.

Financial

This contract will continue to be paid within the Alcohol and Drug budget unit 0403. The costs
are $2,702.84 per client per 28 day stay. Only the individuals who are committed to their own
recovery, and who need a high level of care, will be offered this level of service.

There is no impact on the general fund.
