CAO: 

Revised Dec. 2002
54956.6. No fees may be charged by the legislative body of a local agency for carrying out any provision of this chapter, except as specifically authorized by this chapter.

54956.7. Whenever a legislative body of a local agency determines that it is necessary to discuss and determine whether an applicant for a license or license renewal, who has a criminal record, is sufficiently rehabilitated to obtain the license, the legislative body may hold a closed session with the applicant and the applicant's attorney, if any, for the purpose of holding the discussion and making the determination. If the legislative body determines, as a result of the closed session, that the issuance or renewal of the license should be denied, the applicant shall be offered the opportunity to withdraw the application. If the applicant withdraws the application, no record shall be kept of the discussions or decisions made at the closed session and all matters relating to the closed session shall be confidential. If the applicant does not withdraw the application, the legislative body shall take action at the public meeting during which the closed session is held or at its next public meeting denying the application for the license but all matters relating to the closed session are confidential and shall not be disclosed without the consent of the applicant, except in an action by an applicant who has been denied a license challenging the denial of the license.

54956.75. (a) Nothing contained in this chapter shall be construed to prevent the legislative body of a local agency that has received a confidential final draft audit report from the Bureau of State Audits from holding closed sessions to discuss its response to that report.

(b) After the public release of an audit report by the Bureau of State Audits, if a legislative body of a local agency meets to discuss the audit report, it shall do so in an open session unless exempted from that requirement by some other provision of law.

54956.8. Notwithstanding any other provision of this chapter, a legislative body of a local agency may hold a closed session with its negotiator prior to the purchase, sale, exchange, or lease of real property by or for the local agency to grant authority to its negotiator regarding the price and terms of payment for the purchase, sale, exchange, or lease.

However, prior to the closed session, the legislative body of the local agency shall hold an open and public session in which it identifies its negotiators, the real property or real properties which the negotiations may concern, and the person or persons with whom its negotiators may negotiate.

For purposes of this section, negotiators may be members of the legislative body of the local agency.

For purposes of this section, "lease" includes renewal or renegotiation of a lease.

Nothing in this section shall preclude a local agency from holding a closed session for discussions regarding eminent domain proceedings pursuant to Section 54956.9.
