RECOMMENDED ACTION AND JUSTIFICATION:

The following actions are recommended as a result of the Big Meadow Fire in the County:

A) Take action to determine whether the Big Meadow Fire constitutes an emergency pursuant to Government Code section 54956.5, to allow discussion to occur since this matter was not posted on the agenda; and

B) Take action to determine that there is a need for immediate action which came to the attention of the Board of Supervisors after the agenda has already been posted, and finding that this action cannot reasonably wait until the next regularly scheduled meeting (4/5ths vote required); and

C) Adopt Resolution Proclaiming the Existence of a Local Emergency, Requesting Declaration Proclaiming Existence of a Local Emergency, and Requesting: 1) The Governor to Proclaim a State of Emergency; and 2) Requesting a Presidential Declaration of a State of Emergency; and

D) Approval of Designation of Applicant’s Agent Resolution Appointing Individuals to Act on Behalf of Mariposa County

The resolutions are attached, as well as the Emergency Declaration. These actions are necessary to obtain available state and federal assistance.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

None on this matter. The Board has proclaimed the existence of a local emergency in the past due to fires, floods, and rockslides. The following three existing emergencies are continuing: the Ferguson Rockslide, Oliver Fire, and Telegraph Fire.
