DEPARTMENT: Fire Protection

RECOMMENDED ACTION AND JUSTIFICATION:

Authorize the Board Chair to sign the Yosemite West Community Wildfire Protection Plan (CWPP). This community plan was prepared through Yosemite National Park funding by a private consultant. An approved CWPP is required prior to application for Federal grant funding for fuel reduction projects. The Yosemite West plan has been reviewed and approved by both Cal Fire and Mariposa County Fire Chief. Even though it is not required, Yosemite Fire Management office has reviewed and approved the plan. This plan will be included in the final Mariposa County CWPP.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
This is the first of the County's community plans. As they are completed and reviewed by the appropriate fire officials, each will be forwarded to the Board of Supervisors for review and approval. These CWPPs are being completed by and through the Mariposa County Fire Safe Council.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Preclude the Yosemite west Community from qualifying for future Federal fuel reduction grants.
