**Recommendation**

It is respectfully requested that your Board: 1) approve the attached contract with Mariposa Safe Families, a community-based organization in Mariposa County, to carry out the activities of the Friday Night Live, Club Live, Friday Night Live Mentoring, and Substance Abuse Prevention Programs currently administered under Behavioral Health and Recovery Services (MCBHRS); and 2) authorized your chairman to sign the contract.

**Background/Current Situation**

On August 19, 2008, as approved by your Board (resolution number 08-394) the Department sent out a letter of interest to all community partners who were potentially qualified to administer the above named programs. A committee was convened to review proposals. It was decided that Mariposa Safe Families has a track record with successful administration of grant funded programs, has history and experience implementing prevention activities and is in an ideal position to utilize these funds to leverage other prevention related dollars for Mariposa County’s communities.

**Financial**

As discussed in our previous memo dated August 19, the estimated maximum allocation from the state for these programs is $113,224. MCBHRS will be providing an additional $2,500 (from Mental Health Services Act dollars) to Mariposa Safe Families to offset costs associated with the completion of a Needs Assessment. Therefore, the total amount of the contract with Mariposa Safe Families will be $106,077, with MCBHRS retaining $9,647 for administration of the funding and reporting. There will be no impact to County general fund dollars.
