**RECOMMENDED ACTION AND JUSTIFICATION:**
**APPROVE THE INCREASE IN COST FOR INTERLIBRARY LOANS (ILL)**

The County Librarian is requesting that beginning [Nov. 14], 2006 increase the cost on InterLibrary Loans (ILL) that are outside the jurisdiction of the San Joaquin Valley Library System (SJVLS.) Currently all ILL’s cost $1.25. This charge has been a loss since items borrowed outside SJVLS must be researched to find its location, and then be requested, received, and returned via the mail with insurance. The increase in cost will help eliminate frivolous request or non-pick-up of borrowed items.

ILL’s to request within California will cost $10.00.
ILL’s to request outside California will cost $15.00.

Fees will be required before items are requested. All other additional fees will be paid by the requesting library patron.

Possible increase to revenue $20.00 - $50.00 a month.

**BACKGROUND AND HISTORY OF BOARD ACTIONS:**
The Board of Supervisors has approved other library fees changes.

**ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:**
The library would be losing income because of the additional staff time.

It is possible what an additional $140-200 may be collected as revenue. This was not budgeted, but there is no need to recognize the revenue. It will simply reduce the department's net county cost by the amount $200 annually collected.
