RECOMMENDED ACTION AND JUSTIFICATION:

Approve Agreement between John C. Fremont Healthcare District and Mariposa County Probation Department covering the period of 7/1/06 through 6/30/07, for routine medical screening for juveniles detained.

Juveniles booked into custody are routinely subject to a medical screening for clearance into the juvenile detention facility. This agreement provides for payment of those services.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

This has been an ongoing contract since 2000 with John C. Fremont Healthcare.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

If the agreement is not approved the county would be billed for itemized services as opposed to one flat fee for juveniles receiving medical screening which would result in higher costs.
