RECOMMENDED ACTION AND JUSTIFICATION:

Recommend Resolution authorizing Chair to sign revision to MOU # GA 8800-00-016 between Yosemite National Park and Mariposa County to provide temporary enhancement to First Responder Emergency Medical Activities in El Portal due to the rock slide blocking Highway 140.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

As a follow up to Board Agenda Item of July 25, 2006, (Resolution # 06-342), an amendment to this contract has been developed to allow immediate enhancement of Emergency Medical Services for an estimated period of two months at a cost not to exceed $18,000. Whatever expenses the County incurs will be billed to FEMA for reimbursement under the declaration of an emergency.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Emergency Medical Services to the citizens of El Portal will be dependant upon volunteer response rather than “on-call” response during the emergency period until the rock slide obstruction is completely relieved.
