ACTION AND VOTE:

Discussion and Possible Further Action Regarding Continuation of the Local Emergency Due to Landslides on Highway 140 Enroute to Yosemite National Park (County Counsel/Interim County Administrative Officer)

BOARD ACTION: Chairman Stetson advised that he was in the first caravan of vehicles on Sunday evening to cross both bridges, and he noted that the road is paved between the two bridges. He noted that there is still no night-time usage pending the installation of the monitoring systems. He advised that the ribbon cutting ceremony to celebrate the opening of the bridges will be held on Friday at 9:00 a.m.

Supervisor Pickard commented on the need to get publicity out relative to the opening of the Highway.

Supervisor Fritz noted that there is a request to carpool to the ceremony due to parking limitations.

(M)Bibby, (S)Fritz, Res. 06-379 was adopted finding the local emergency due to the landslides on Highway 140 enroute to Yosemite National Park continues to exist, and continuing the local emergency based on the findings, and finding that the opening is just a temporary emergency solution/Ayes: Unanimous. Eleanor Keuning asked for clarification of the dates and times of the opening celebration and for access.
