Revised Dec. 2002
Exhibit A

10401. Where one of the elections to be consolidated is a statewide election, the board of supervisors of the county in which the consolidation is to be effected may order the consolidation.

10411. In case of the consolidation of any election called by the legislative body of a city, district, or other political subdivision with an election held in the county or counties in which the city, district, or other political subdivision is situated, the governing body of the city, district, or other political subdivision may authorize the board of supervisors to canvass the returns of the election. If this authority is given:
   (a) The election shall be held in all respects as if there were only one election.
   (b) Only one form of ballot shall be used.
   (c) The returns of the election need not be canvassed by the legislative body of the authorizing city, district or other political subdivision.

   If the authority is given to the board of supervisors, the canvass shall be made in accordance with Article 1 (commencing with Section 15300) of Chapter 4 of Division 15.

15301. The canvass shall commence no later than the Thursday following the election, shall be open to the public, and, for state or statewide elections, shall result in a report of results to the Secretary of State. The canvass shall be continued daily, Saturdays, Sundays, and holidays excepted, for not less than six hours each day until completed.
