RE: Behavioral Health / Continuing Contract with MACT Health Board

Recommendation

It is respectfully requested that your Board: (1) approve continuing a Behavioral Health contract for mental health services under the SAMHSA Grant with the MACT Health Board; and (2) authorize your Chairman to sign the contract.

Background/Current Situation

The County has sub-contracted with the MACT Health board for mental health and alcohol and drug counseling services via the Mi Wu Mati Healing Center for several years. This contract will provide approximately one thousand three hundred fifty (1,350) clients served through out the 2006-2007 fiscal year.

These are grantfunds awarded to the County to assist with meeting the treatment needs of Native Americans. MACT has hired a licensed therapist and our Deputy Director of Behavioral Health, John Lawless, conducts case reviews for compliance.

Financial

The continuation of the SAMHSA $84,040 Grant has been accounted for in the fiscal year 2006-2007 budget. This contract will continue to be paid within the Mental Health budget unit 0402. There is no impact to general fund dollars.
