Recommendation

It is respectfully recommended that your Board: (1) authorize the department to continue a contract with Deborah Atkinson, RN, for nursing services; and (2) authorize your Chairman to sign the contract.

Background / Current Situation

Your Board kindly allowed this Department to enter into a contract with Deborah Atkinson, RN, a psychiatric nurse in June 2005, to provide injections for mental health clients requiring these services. The Department would like to continue the contract with Ms. Atkinson who is very willing to assist with necessary injections. She is also available to assist in other areas as the need arises.

Financial

Ms. Atkinson charges $25 per hour. It is estimated that we will need her services no more than ten (10) hours per week. These services would be utilized on an as needed/as requested basis. When the department actually hires a nurse, Ms. Atkinson could still be helpful when the nurse is away from the office due to illness or vacation.
