Recommendation

It is respectfully recommended that your Board: (I) authorize the department to continue a contract with John P. Trujillo, Phd. for parenting classes. An initial contract with Mr. Trujillo was approved by your Board in March 2006.

Background / Current Situation

The department has secured two separate grants to provide parenting classes. One grant was approved by your Board in March 2005 and is strictly for parenting classes. The other grant, approved in October 2005, in the amount of $465,584 also has a parenting component. Classes will be available to the community at large for those people planning or expecting to have children and to parents who have questions about the behavior of their children. While we do anticipate commencing general parenting groups in Mariposa, we do plan to deliver parenting classes to other areas such as North Side and El Portal/Yosemite.

Financial

It will cost $35 per hour to contract with Mr. Trujillo. It is anticipated that he will work no more than an average of twenty (20) hours per week. The money to pay Mr. Trujillo is from grants and has no impact on the general fund.
