RECOMMENDED ACTION AND JUSTIFICATION:

Recommend deletion of position of Representative of Yosemite National Park Fire on the County Emergency Medical Care Committee.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

Because of difficulties obtaining a quorum, and because, for the most part, the EMCC’s primary focus is on emergencies (and more recently, preparation for terrorism and other Public Health emergencies), the EMCC has recommended that the position be deleted from the EMCC. It has been many, many months, perhaps even years, since a representative from Yosemite Fire attended a meeting. The Park Superintendent is in agreement with deleting this position. Deleting this position, should enhance the possibilities of obtaining a quorum at the EMCC meeting.
