DEPARTMENT: Planning

RECOMMENDED ACTION AND JUSTIFICATION:
Adopt a resolution approving the road names “Corbett Creek Road” and “Gold Dust Lane” for the subject easement. The road name is consistent with the road naming requirements of County Resolution No. 92-541. All property owners served by the road approve of the proposed road name request. The applicant is naming the road in conjunction with Land Division Application No. 2002-422.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The Board adopted Resolution No. 92-541 in 1992 establishing criteria for naming non-County roads. In accordance with this resolution, road names are to be developed around some historical, botanical, zoological or geological significance as they directly relate to Mariposa County. All property owners served by the road must be notified. If it is shown that a majority of the property owners served by a road cannot reach an agreement on a proposed name, then a property owner served by the road may request that the Board of Supervisors name the road.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
As the road name is a condition of approval for a land division, then the recording of the parcel/final map would be delayed until the road name is resolved.
