DEPARTMENT: Mariposa County Public Health  BY: Charles B. Mosher, M.D., MPH  PHONE: (209) 966-3689

RECOMMENDED ACTION AND JUSTIFICATION:
Recommend resolution authorizing Chair to sign contract between Mariposa County Health Department and San Joaquin County Health Department for participation in a computerized Immunization Registry Program for fiscal year 2005-2006.

The primary purpose of this contract is to continue implementation of the regional automated immunization information and reminder system to ensure adequate immunization of all children in this community, whether served by the Health Department or by private providers.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
Children's immunization status has been entered into Health Department computers for many years now by Health Department staff as a service to parents (who often forget to bring children's immunization records). This program has changed that practice slightly by having staff enter immunization data into a central data bank maintained by San Joaquin County, so that it is available to many Health jurisdictions promptly, an advantage in a society where people move frequently among counties.

This contract was approved for fiscal year 2004-2005 on October 5, 2004 Res. No. 04-439.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

1. Immunization information will not be as immediately available in other jurisdictions, even if families want this.

2. May not have adequate funding to provide staffing for implementation of reminder system.
