RECOMMENDED ACTION AND JUSTIFICATION:

Adopt a resolution approving the road name “Spencers Mill Lane” for the subject easement. The road name is consistent with the road naming requirements of County Resolution No. 92-541. The name of the road refers to a quartz Mill that C.H. Spencer built near the property upon which the subject road runs. The requested road name does not duplicate established road name. All property owners served by the road have been notified of the Road Name request and approve of the proposed road name. The applicant is naming the road in conjunction with Condition of Approval of Land Division Application No. #2002-450.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board adopted Resolution No. 92-541 in 1992 establishing criteria for naming non-County roads. In accordance with this resolution, road names are to be developed around some historical, botanical, zoological or geological significance as they directly relate to Mariposa County. All property owners served by the road must be notified. If it is shown that a majority of the property owners served by a road cannot reach an agreement on a proposed name, then a property owner served by the road may request that the Board of Supervisors name the road.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

This Road Name request is a condition of approval for a land division. As such, delay in naming the subject road will delay recording of the parcel map until the road name is resolved.
