RE: Social Services Agreement for Training with University of California, Davis

Recommendation

It is respectfully recommended that your Board approve the Training Services Agreement with UC Davis and authorize the Chairman of the Board to sign the Agreement.

Background Information / Current

Mariposa County is part of a multi-county consortium (Inter-County Training Consortium [ICTC]) to provide specialized training for Social Services staff. As part of the consortium and this agreement, U.C. Davis Extension customizes on-site trainings for our County, allows us to attend trainings in other counties and offers week-long institutes on the Davis Campus. Mariposa County receives a total of nine (9) training days as part of the consortium. Mariposa County Social Services has participated in this consortium training for a number of years and is satisfied with the services received.

Financial

This agreement is funded with federal, state and realignment dollars and has no net cost to the county.
