RE: Behavioral Health Contract for Residential Alcohol & Drug Treatment Services with Changing Echoes

Recommendation

It is respectfully requested that your Board: (1) approve continuing a Behavioral Health contract for residential alcohol and drug treatment services with Changing Echoes; and (2) authorize your Chairman to sign the contract.

Background/Current Situation

This County does not operate residential alcohol and drug treatment facilities and therefore contracts for such services.

Your Alcohol and Drug Advisory Board is aware of the fact that there is a need for residential treatment for those individuals who cannot stay clean and sober through utilization of groups offered in the recovery community, traditional services and Heritage House.

Financial

This contract will continue to be paid within the Alcohol and Drug budget unit 0403. The costs are: $2,000 per client per 28 day stay. Only the individuals who are committed to their own recovery, and who need a high level of care, will be offered this level of service. There is no impact on the general fund.
