RE: Behavioral Health Contract for Institution for Mental Disease (IMD) Services

Recommendation

It is respectfully requested that your Board: (1) approve a Behavioral Health contract for an Institution for Mental Disease with California Psychiatric Transitions in Delhi, California; and (2) authorize your Chairman to sign the contract.

Background/Current Situation

The transition of Mental Health services from Kings View to the County required that the department of Human Services/Behavioral Health & Recovery Services obtain new and/or amended contracts. This County does not operate any locked inpatient Institutions for Mental Disease and therefore contracts for such services. These services are necessary for people who are unable to live independently.

This contract is important because California Psychiatric Transitions is in our region and using a relatively new anti psychotic medication that has assisted many people. The medication requires careful monitoring. Our medical director, and a young man’s parents, have insisted that we use this placement or one like it. The young man has been in another locked facility for two years and has made little to no progress.

California Psychiatric Transitions was willing to accept the client who has acted out in his current facility. In general, it is important to have a wide array of placement alternatives to best meet client needs. On a temporary basis, I had to approve an emergency placement in this facility.

Financial

This contract will continue to be paid within the Mental Health budget unit 001-040-622.04-26. The cost is $200 per day and the estimated length of stay is generally from three to six months. Often, client income pays for part of these services, for example through Social Security or MediCal. There is no impact on the general fund.

MARIPOSA COUNTY BOARD OF SUPERVISORS
MINUTE ORDER

TO: CHERYLE RUTHERFORD-KELLY, Human Services Director
FROM: MARGIE WILLIAMS, Clerk of the Board
SUBJECT: CONTRACT FOR AN INSTITUTION FOR MENTAL DISEASE WITH CALIFORNIA PSYCHIATRIC TRANSITIONS IN DELHI

Resolution No. 05-274

THE BOARD OF SUPERVISORS OF MARIPOSA COUNTY, CALIFORNIA

ADOPTED THIS Order on June 21, 2005

ACTION AND VOTE:

Consent Agenda item 16 – Supervisor Bibby initiated discussion relative to the inconsistency in the insurance requirements. Rich Inman advised that he is not comfortable with the one hundred thousand dollar liability requirement; and he advised that he would prefer to have similar language as used in other contracts that the insurance requirements will be determined by the Risk Manager. Cheryle Rutherford-Kelly stated she would like to be able to continue using this facility while the insurance issues are worked out. Chairman Pickard suggested that approval of the contract include a contingency that the contract be reviewed and approved by County Counsel and the County Administrative Officer/Risk Manager. Supervisor Bibby advised that she has other text changes that she will work with County Counsel to make including dollar amount corrections. (M)Bibby, (S)Stetson, item 16 was approved, with the suggested changes/Ayes: Unanimous.

CA-16 Approve a Behavioral Health Contract for an Institution for Mental Disease with California Psychiatric Transitions in Delhi, California; and Authorize the Chairman of the Board of Supervisors to Sign the Contract (Human Services Director); Res. 05-274, with changes
