RE: Mental Health Contract Amendment for In-Patient Services

Recommendation

It is respectfully requested that your Board: (1) approve a Behavioral Health contract amendment for residential Inpatient services with Stanislaus County Behavioral Health and Recovery Services; and (2) authorize your chairman to sign the contract amendment.

Background/Current Situation

Behavioral Health contracts with multiple agencies, including Stanislaus County, for inpatient services because this County does not offer residential treatment.

The contract amendment before your Board is necessary to comply with the changes in Federal Medi-Cal Rates that became effective October 1, 2004. The amendment pertains to Attachment A of the contract approved by your Board under Resolution #04-228. Only Attachment A is being changed, all other terms and conditions of the contract remain in full force and effect.

Financial

This contract amendment affects Medi-Cal reimbursement rates only. The amount for non Medi-Cal changed from $873.40 per day to $913.58 per day and the amount for Medi-Cal match rate (50%) changed from $410.94 per day to $456.79 per day. All other terms and conditions of the contract shall remain in full force and effect. The contract will continue to be paid within the Mental Health budget unit 0402. There is no impact to general fund dollars.
