RE: Mental Health Contract for In-Patient Services  

Recommendation  

It is respectfully requested that your Board: (1) approve a Behavioral Health contract for residential inpatient services with Heritage Oaks Hospital; and (2) authorize your Chairman to sign the contract.  

Background/Current Situation  

The transition of Mental Health services from Kings View to the County requires that the department of Human Services/Behavioral Health & Recovery Services obtain new and/or amended contracts. This County does not operate in-patient, residential facilities and therefore contracts for such services. The new agreements are substantially similar to the subcontracts currently in place through Kings View with the change of name to Mariposa County.  

The contract/amendment, approved by our Counsel, is summarized below:
