RESOLUTION - ACTION REQUESTED 2014-210

MEETING: May 13, 2014

TO: The Board of Supervisors

FROM: Rick Benson, County Administrative Officer

RE: Declaration Proclaiming Existence of a Drought Local Emergency

RECOMMENDATION AND JUSTIFICATION:

It is recommended that your Board adopt the attached Declaration Proclaiming Existence of a Local Emergency due to drought conditions.

On January 17, 2014 Governor Brown proclaimed a state of emergency due to drought conditions. This declaration included Mariposa County among the areas affected by the drought. With the Governors proclamation, the County became eligible to participate in emergency funding programs. However, since some programs may require the declaration of a local emergency it is recommended that your Board adopt the attached proclamation.

While the County is already feeling some impacts from the drought, future impacts could become much more severe. The Agricultural Commissioner has assured this office that local farmers and ranchers are already qualified to participate in any assistance programs as a result of the Governors proclamation.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

Your Board has made or ratified similar declarations during other emergencies.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

If the Board does not declare a local emergency the County may not be eligible for possible State or Federal disaster assistance.
