WHEREAS the Agricultural Advisory Committee recommended approval of applications Nos. 2003-105 and 2003-181 with conditions and Nos. 2003-195 and 2003-207 with no conditions; and

WHEREAS the Planning Commission held a public hearing on the applications in accordance with County Code and State law; and

WHEREAS the Planning Commission does hereby recommend to the Board of Supervisors the filing of Notices of Exemption pursuant to Section 15317 of CEQA Guidelines and approval of Agricultural Preserves Nos. 2003-105 and 2003-181 with conditions and Nos. 2003-195 and 2003-207 with no conditions.

BE IT THEREFORE RESOLVED THAT the Mariposa County Board of Supervisors approves the following:

1) The filing of a notice of exemption (from environmental review) for the projects pursuant to Section 15317 of CEQA Guidelines; and
2) The approval of Agricultural Preserve Applications Nos. 2003-105 and 2003-181 with the following conditions:

A restriction shall be included in the Land Conservation Act contract prohibiting the conveyance of parcels less than 100 acres as separate parcels except to immediate family members of the owner.

1) The projects are found to support, accomplish, or have no effect on the goals, policies, and standards of the General Plan as a whole and will not obstruct the achievement of the Plan’s purpose. This finding is made in accordance with Section 2.600 et seq. of the Mariposa County General Plan.

The Land Conservation Act promotes the preservation and development of agricultural lands, as encouraged by the Conservation Element. The Open Space Element confirms the importance of maintaining the viability of the agricultural industry for Mariposa County. These projects will result in the execution of a Land Conservation Act contract, which is a 20 year commitment to agriculture and open space uses for the site. The preserves are consistent with the General Plan. This finding is made in accordance with Section 51234 of Government Code.

2) The projects, upon compliance with the required conditions, comply with all standards of the California Land Conservation (Williamson) Act and the Mariposa County Agricultural Preserve Policy. The parcels have been used for agricultural purposes for at least three years, and the agricultural uses have been profitable.

BE IT FINALLY RESOLVED the Chairman of the Board is hereby authorized to sign the Land Conservation (Williamson) Act contracts.
