RECOMMENDED ACTION AND JUSTIFICATION:

Approve appropriation of $18,000 from Provision for Contingencies to relocate the Methodist Church Fellowship Hall on 6th Street to Christian Science Society property on 4th Street to be used as community facilities for the general public.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Methodist Church is planning to construct a new Fellowship Hall on the current site of their old Hall. Instead of demolishing this old attractive building the Methodist Church has agreed to gift the Hall to the Christian Science Society who will relocate it on their property on 4th Street. Both the new Methodist Fellowship Hall and the old Hall after it is relocated will be available for use by civic and other community groups to use. Over 30 community service organizations have used the old Fellowship Hall in the past and will continue to have access to both these facilities.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not appropriate the funds and have the old Fellowship Hall demolished.
