DEPARTMENT: PLANNING

RECOMMENDED ACTION AND JUSTIFICATION:
Approve the four resolutions.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The resolutions have amended as per Board direction from October 14. They have been stripped of references to the draft version of the General Plan. Committees have been renamed “Planning Advisory Committee” without reference to type of plan. The Greeley Hill map and resolution have been amended to reflect “Greeley Hill Planning Region,” the agreed term for the area’s “sphere of influence.” All references to “community” plans have been deleted. El Portal remains a “Town Plan” and Yosemite West is designated a “special plan” consistent with the direction given by the Board in 2000.
