RECOMMENDED ACTION AND JUSTIFICATION:
Approve the Fire Services Assistant class spec, set the salary at range 162 ($2,118-$2,574), assign the allocation to the County Fire Department and move the Secretary incumbent into the position, and eliminate the Secretary allocation. This position will be assigned to SEIU. The currently salary for the Secretary incumbent is at step 5 of range 140 ($1,898 - $2,307). With approval of this action, the incumbent’s salary would increase to step 5 of salary range 162. The funds to accommodate this request will be taken from salary savings from the Deputy Fire Chief position which is yet unfilled.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
In October 1999, the incumbent submitted a request to the then County Administrative Officer, pursuant to the MOU with SEIU, to reclassify her position from Senior Office Assistant to Office Technician. In May 2000, the CAO addressed this request and agreed that “the duties performed by the incumbent are beyond the scope of the Senior Office Assistant classification in their complexity and require independent judgment and initiative. However, they do not rise to the level of Office Technician…..” The CAO recommended that the position be reclassified to Secretary. Resolution No. 00-167 was adopted, which approved the reclassification to Secretary and direction was given to staff to further review this position. Subsequently, the Union and the County agreed that to remedy this situation, the incumbent Secretary's position would be made a priority in the Classification and Internal Salary Study and if the consultant recommended a change in title and pay, the County would go to the Board with that recommendation. It was further agreed that if this action was approved, any wage increase would be retroactive to March 15, 2002, the date the incumbent and the Union submitted the request to remedy this situation.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
- Approve this request as proposed.
- Do not approve, however, a negative action could result in further delay in placing the Secretary incumbent in the appropriate classification.
