RECOMMENDED ACTION AND JUSTIFICATION:
Approve Budget Action transferring funds within the Public Works/Administration Budget from Salary Savings in the Senior Office Assistant position to cover additional extra-help needed due to delay in filling vacant position ($3,000).

Public Works has temporarily filled the vacant Senior Office Assistant position with an extra-help Office Assistant II.

The Office Assistant II is, and has been, performing quite well and she has become familiar and comfortable with the operation of the department and its many divisions.

Public Works is currently evaluating the need for a Senior Office Assistant to perform the duties currently being performed by the Office Assistant II. Staff is also reviewing the draft job class specifications based on the County-wide Classification Study prior to making a final determination on the position. Transferring funds will enable Public Works to utilize and compensate the current Office Assistant II through the end of the current fiscal year and allow renewal of the Agreement for the next fiscal year if necessary.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The Board routinely approves budget action request that do not change the overall budget and is within the same budget category.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
Negative action will exhaust the extra-help budget line item and not allow additional time to evaluate the Senior Office Assistant position.
