RESOLUTION - ACTION REQUESTED 2014-231

MEETING: May 27, 2014

TO: The Board of Supervisors

FROM: Cathi Boze, Agricultural Commissioner/Sealer

RECOMMENDATION AND JUSTIFICATION:
Approve the County Petroleum Product Program Cooperative Agreement No. 14-0022-SA for Fiscal Year 2014/2015 with the California Department of Food and Agriculture (CDFA), and authorize the Board of Supervisors Chair to sign the Agreement.

The Petroleum Product program is for work performed in Mariposa County for the inspection of petroleum distributors in the County.

The total available FY 2014/2015 contract amount for this agreement is $1,125 - unchanged from the previous fiscal year’s petroleum product program subvention amount.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The previous cooperative agreement for FY 2013/2014 was approved by Resolution No. 13-206.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
Do not approve the agreement. This will prevent the subvention of any petroleum funds to Mariposa County for work performed in this program.

FINANCIAL IMPACT:
The $1,125 State subvention for this Cooperative Agreement with CDFA is budgeted in the State Revenue account for the Agricultural Commissioner/Sealer of Weights and Measures.

SCOPE OF WORK

Initial Inspections:

In the best interest of the State, in accordance with California Business and Professions Code (BPC) Section 13434, and under the authority of the Secretary of the Department of Food and Agriculture (CDFA); the Division of Measurement Standards (Division) and the County of MARIPosa (County) agree to the following:

An initial inspection is the first inspection in the fiscal year of a location where the primary business is the sale of petroleum products (i.e., retail service stations, distributors of engine fuels, oils, quick-lube shops, etc.).

An initial inspection shall include the verification of compliance with the appropriate provisions of the Business and Professions Code and California Code of Regulations relating to the advertising and labeling of petroleum and automotive products, and to verify compliance with the provisions of BPC Section 13660 at the location. Inspection reports shall be made for each establishment inspected on Petroleum Inspection Report forms supplied by or approved by the Division containing legible heading and violation information. The original inspection report shall be maintained at said county Office of Weights and Measures for four (4) years and be made available to the Department of Food and Agriculture, Division of Measurement Standards, upon request.

The Department will pay said County for actual costs incurred up to $75.00 for each initial inspection of establishments selling or distributing petroleum and/or automotive products; provided the inspection is done to determine compliance with BPC Chapters 14, 14.5 and 15. The total allocation to said County for these inspections shall not exceed $1,125.00 for this Agreement. This represents 15 initial inspections per fiscal year.

Inspection Requirements

The assigned number of inspections at brake shops, quick-lube shops, and other retail establishments selling bulk petroleum products or automotive products shall not exceed 10% of the total annual initial inspections authorized. The Division reserves the right to, at its discretion, assign and direct the county to take designated samples of bulk automotive or petroleum products for the purpose of conducting marketplace surveys conduction to conduct initial inspections at specific stations. The locations visited for the purpose of obtaining these designated samples shall be counted as inspections authorized by this agreement and will be paid at $75.00 per location. Prior to being assigned sampling duties, the Division will provide training in the proper sampling and sample tag/chain of evidence completion procedures. Unless directed otherwise, all samples are to be submitted to the Division’s laboratory in Sacramento.

Sample containers and subvention sample identification tags will be provided by the Division. Payment for samples and transportation of the sample to the Division’s laboratory shall be the responsibility of said County. The color coded subvention sample identification
tags must be used on subvention samples to identify them for reimbursement verification. Said County will use the inspection and sampling procedures outlined in the Division of Measurement Standards' "Petroleum Products Inspection and Sampling Procedure Manual." Off sale of samples not meeting product specifications shall be the responsibility of the County, or the Division if requested to do so by the County, and will be handled in accordance with the guidelines established in the Division's "Citation Procedure Manual." Current versions of the "Petroleum Products Inspection and Sampling Procedure Manual" and the "Citation Procedure Manual" are available on the Division's website at http://www.cdfa.ca.gov/dms/.

Nothing in this Agreement prevents or precludes Division staff from performing routine location inspections within the county. The county will be notified when Division staff is performing location inspections within the county. The Division also reserves the right to do re-inspect locations that were inspected and billed for by the County. These re-inspections are for the purpose of evaluating the work of the county. Enforcement action, if needed, will be taken by Division staff following the "Citation Procedure Manual" guidelines.

As per BPC Section 12015, said County agrees that appropriate enforcement action shall be taken upon discovery of violation(s) at the location being inspected. The enforcement actions will be handled in accordance with the guidelines established in the Division's "Citation Procedure Manual." If the appropriate enforcement action is more than the issuance of a Notice of Violation (NOV), and if the County is unable or fails to take that action against the violator, the Division shall take the specified enforcement action and payment for the inspection will be withheld.

All requests for payment shall be made using the Petroleum Agreement Invoice, supplied, and shall include the official county letterhead.

Funds will be disbursed to the County on approval of the quarterly invoice submitted. Included with the invoice shall be a list stating the total number of initial inspections conducted, the name and address of the location inspected, the number of designated samples taken, the name and location where the samples were taken, and the amount of money requested.

The invoice for billing shall be submitted to the Division of Measurement Standards headquarters at 6790 Florin Perkins Road, Suite 100, Sacramento, 95828.

Completed legible copies of both the pink and goldenrod Petroleum Inspection Report forms are to be forwarded to the regional office within five (5) working days after completion of the inspection. Upon approval by the Division, electronic forms may be submitted.

2. Assignment
   This Agreement is not assignable by the Recipient, either in whole or in part, without the consent of the CDFA, in the form of a form of writing.

3. Indemnification
   The Recipient agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by Recipient in the performance of this Agreement.

The Recipient agrees to be as fully responsible to the State for the acts and omissions of its contractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Recipient. The Recipient's obligation to pay its contractors is an independent obligation from the State's obligation to make payments to the Recipient.    During the performance of this Agreement, Recipient and its contractors will not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, sexual orientation, race, color, ancestry, religious creed, national origin, physical disability, mental disability, medical condition, age, marital status, and denial of family care leave.

   The Recipients and contractors will insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Recipient and contractors will comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 (a-f) et seq.) and the applicable regulations promulgated there under (California Code of Regulations, Title 2, Section 7285 et seq.). The applicable regulations of the Fair Employment and Housing Commission Implementing Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. Recipient and its contractors will give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining unit or other Agreement.

   The Recipient will include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.

10. **Excise Tax**
    The State of California is exempt from Federal excise taxes and no payment will be made for any taxes levied on employees' wages. The State will pay for any applicable State of California or local sales or use taxes on the services rendered or equipment or parts supplied pursuant to this Agreement. California may pay any applicable sales and use tax imposed by another State.

11. **Right to Terminate**
    CDFA reserves the right to terminate this Agreement subject to thirty (30) days written notice to the Recipient. The Recipient may submit a written request to terminate this Agreement only if CDFA substantially fails to perform its responsibilities as provided herein. However, the Agreement can be immediately terminated for cause.

12. **Termination for Cause**
    The State may terminate this Agreement and be relieved of any payments should the Recipient fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination the State may proceed with the work in any manner deemed necessary by the State. All costs to the State will be deducted from any sum due the Recipient under this Agreement and the balance, if any, will be paid to the Recipient upon completion of the work.

13. **Reporting Requirements**
    The Recipient agrees to complete all reporting requirements listed in Exhibit A, Scope of Work.

14. **Publicity and Acknowledgement**

15. **Amendments**
    Changes to Exhibit A, Scope of Work, Exhibit B, Budget or the Agreement term, must be requested in writing to the CDFA Agreement Manager via letter, fax or email no later than thirty (30) days prior to the requested implementation date. CDFA Agreement Manager will respond in writing via letter, fax or email as to whether the proposed changes are accepted. Any changes to the Scope of Work, Budget, or Agreement term must be approved in writing by CDFA prior to implementation.
