RESOLUTION - ACTION REQUESTED 2014-322

MEETING: July 8, 2014

TO: The Board of Supervisors

FROM: Charles Mosher, Health Officer

RE: Approve Professional Service Agreement with Ray Kapahi Dba Air Permitting Specialist

RECOMMENDATION AND JUSTIFICATION:
Approve a Professional Service Agreement with Ray Kapahi Dba Air Permitting Specialist, for Assistance on the Health Department’s Air Pollution Grant Program, and Authorize the County Administrative Officer to Sign the Agreement.

The Air District routinely needs the specialized assistance of an Air Pollution Engineer to review businesses which have air emissions, to calculate the tons of pollutants (which is related to fees) and to perform special analyses for the District. Usually, businesses pay these fees and the County cost is only for in-house analyses.

In Fiscal Year 2014-2015, the District (County) may be required to develop an ozone reduction plan which will require some of Mr. Kapahi’s assistance. The amount of this contract is $18,000 which we believe is high enough to allow for the assistance with such a plan.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
County signed a Contract for Services with Ray Kapahi Dba Air Permitting Specialist for Fiscal Year 2013-2014 for an amount not to exceed $18,000, Board Resolution Number 13-250.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
The County does not have this required expertise in any of its Departments to provide this type of service. If this Contract is not approved staff will need to identify another vendor willing to perform this service, which may be at a higher hourly rate.

FINANCIAL IMPACT:
Funding for this contract of $18,000 and any offsetting fees are included in the Departments' requested 2014-15 budget.

Said Agreement shall then be deemed terminated and no further work shall be performed by Contractor. If the Agreement is so terminated, the Contractor shall be paid for that percentage of the phase of work actually completed, based on a pro rata portion of the compensation for said phase satisfactorily completed at the time the notice of termination is received.

7.04 Termination of Funding: The parties acknowledge that the nature of government finance is unpredictable, and that the rights and obligations set forth in this Agreement are necessarily contingent upon the receipt and/or appropriation of the necessary funds. In the event that funding is terminated, in whole or in part, for any reason, at any time, this Agreement and all obligations of County arising from this Agreement shall be immediately discharged. County agrees to inform Contractor no later than thirty (30) calendar days after County determines, in its sole judgment, that funding will be terminated and the final date for which funding will be available.
