RESOLUTION - ACTION REQUESTED 2014-415

MEETING: August 12, 2014

TO: The Board of Supervisors

FROM: Chevon Kothari, Human Services Director

RE: Approve Contract with CF Merced LLC for Inpatient Residential Services

RECOMMENDATION AND JUSTIFICATION:
Approve an Agreement with CF Merced LLC for Psychiatric Hospitalizations in an Amount Not to Exceed $60,000, and Authorize the Board of Supervisors Chair to Sign the Agreement.

Mariposa County does not operate inpatient residential facilities and therefore contracts for such services. CF Merced LLC is a locked residential facility that is used to house clients who require a higher level of care than is provided at a Board and Care or a private residence.

The County does not use this facility often, but it is important to keep this contract in place to insure the availability of a bed when a crisis arises. Having an existing contract guarantees the County a negotiated rate. This contract is at no cost unless the County uses a bed.

This contract has no negative impact on the Mariposa County Mental Health Services Act Corrective Action Plan.

MENTAL HEALTH ADVISORY BOARD REVIEW:
On recurring contract renewals the Mental Health Advisory Board has set direction that such contracts will be available for review by the Mental Health Advisory Board members and do not require review unless there are changes in the provisions of the contract prior to coming to the Board of Supervisors. This contract meets that criteria and is submitted to the Board of supervisors for a positive action.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The predecessor entity operating this facility was Country Villa Health Services.
The current agreement for this facility with the predecessor entity was approved by the Board on June 11, 2013, by Resolution Number 2013-227.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
If this contract is not approved, the placement options available to Behavioral Health would be limited. Without a contract in place, finding an open bed for this level of care could be more difficult, and the costs could increase.

FINANCIAL IMPACT:
The contract will continue to be paid within the Behavioral Health budget and is included in the FY2014/2015 requested budget. This contract does not affect
the Mental Health Services Act (Fund 410) corrective action plan. There is no impact on the General Fund.

Both parties acknowledge that Contractor is not an employee for state or federal tax purposes. Contractor shall retain the right to perform services for others during the term of this Contract.

2.02 Contractor Qualifications: Contractor warrants that Contractor has the necessary experience and technical skills to provide services under this Contract.

3.01 Scope of Services: Contractor agrees to furnish the following services: Contractor shall provide the services described in Exhibit “A” attached hereto.

No additional services shall be performed by Contractor unless approved in advance in writing by the County stating the dollar value of the services, the method of payment, and any adjustment in contract time. All such services are to be coordinated with County and the results of the work shall be monitored by Human Service Director or his/her designee. However, the means by which the work is accomplished shall be the sole responsibility of the Contractor.

3.02 Method of Performing Services: Contractor will determine the method, details, and means of performing the above-described services including measures to protect the safety of the traveling public and Contractor’s employees. County shall not have the right to, and shall not, control the manner or determine the method of accomplishing Contractor’s services.

3.03 Employment of Assistants: Contractor may, at the Contractor’s own expense, employ such assistants as Contractor deems necessary to perform the services required of Contractor by this Contract. County may not control, direct, or supervise Contractor’s assistants or employees in the performance of those services.

Contractor assumes full and sole responsibility for the payment of all compensation and expenses of these assistants and for all state and federal income tax, unemployment insurance, Social Security, disability insurance and other applicable withholdings.

County shall not be responsible for any expense incurred by Contractor in performing services for County.

**ARTICLE 5. OBLIGATIONS OF CONTRACTOR**

5.01 **Tools and Instrumentalities:** Contractor will supply all tools and instrumentalities required to perform the services under this Contract. Contractor is not required to purchase or rent any tools, equipment or services from County. County shall not provide working space, supplies, materials or other such support to Contractor in the performance of the services and tasks as described herein.

5.02 **Indemnification:** Contractor shall indemnify and hold County harmless against any and all liability imposed or claimed, including attorney’s fees and other legal expenses, arising directly or indirectly from any act or failure of Contractor or Contractor’s assistants, employees or agents, including all claims relating to the injury or death of any person or damage to any property. Contractor agrees to maintain a policy of liability insurance in the minimum amount of One Million Dollars ($1,000,000) to cover such claims or in an amount determined appropriate by the County Risk Manager. Contractor shall furnish a certificate of insurance evidencing such insurance and naming the County as an additional insured for the above-cited liability coverage prior to commencing work. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by County of insurance certificates and endorsements required under this Contract does not relieve Contractor from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Contract, Contractor acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.
5.03 **General Liability and Automobile Insurance:** During the term of this Contract Contractor shall obtain and keep in full force and effect a commercial, general liability and automobile policy or policies of at least $1,000,000 combined limit for bodily injury and property damage; provided that the County, its officers, employees, volunteers and agents are to be named additional insureds under the policies, and that the policies shall stipulate that this insurance will operate as primary insurance for work performed by Contractor and its sub-contractors, and that no other insurance effected by County or other named insureds will be called on to cover a loss covered thereunder. The General Liability insurance shall be provided by an ISO Commercial General Liability policy, with edition dates of 1985, 1988, or 1990. The County will be named as an additional insured using ISO form CG 2010 1185 or the same form with an edition date no later than 1990, or in other form satisfactory to County.

5.04 **Certificate of Insurance:** Contractor shall complete and file with the County prior to engaging in any operation or activity set forth in this Contract, certificates of insurance evidencing coverage as set forth in paragraphs 5.02 and 5.03 above and which shall provide that no cancellation or expiration by the insurance company will be made during the term of this Contract, without thirty (30) days written notice to County prior to the effective date of such cancellation.

5.05 **Workers' Compensation:** During the term of this Contract Contractor agrees to provide workers' compensation insurance for Contractor's employees and agents and agrees to hold harmless and indemnify County for any and all claims arising out of any injury, disability, or death of any of Contractor's employees or agents.

5.07 **State and Federal Taxes:** As Contractor is not County's employee; Contractor is responsible for paying all required state and federal taxes. In particular:

a. County will not withhold FICA (Social Security) from Contractor's payments;

b. County will not make state or federal unemployment insurance contributions on behalf of Contractor;

c. County will not withhold state or federal income tax from payment to Contractor;

d. County will not make disability insurance contributions on behalf of Contractor;
e. County will not obtain workers' compensation insurance on behalf of Contractor.

5.08 Records: It is understood and agreed that all plans, studies, specifications, data magnetically or otherwise recorded on computer or computer diskettes, records, files, reports, etc., in possession of the Contractor relating to the matters covered by this Contract shall be the property of the County, and Contractor hereby agrees to deliver the same to the County upon request. It is understood and agreed that the documents and other materials including but not limited to those set forth hereinabove, prepared pursuant to this Contract are prepared specifically for the County and are not necessarily suitable for any future or other use.

5.09 Contractor's Books and Records: Contractor shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the County for a minimum of three (3) years, or for any longer period required by law, from the date of final payment to the Contractor. Any records or documents required to be maintained shall be made available for inspection, audit and/or copying at any time during regular business hours, upon oral or written request of the County.

5.10 Assignability of Contract: It is understood and agreed that this Contract contemplates personal performance by the Contractor and is based upon a determination of its unique personal competence and experience and upon its specialized personal knowledge. Assignments of any or all rights, duties or obligations of the Contractor under this Contract will be permitted only with the express written consent of the County.

6.02 Assignment: Neither this Contract nor any duties or obligations under this Contract may be assigned by County without the prior written consent of Contractor.

ARTICLE 7. TERMINATION OF CONTRACT

7.01 Termination on Occurrence of Stated Events: This Contract shall terminate automatically on the occurrence of any of the following events:

1. Bankruptcy or insolvency of Contractor;
2. Death of Contractor.
7.02 Termination by County for Default of Contractor: Should Contractor default in the performance of this Contract or materially breach any of its provisions, County, at County’s option, may terminate this Contract by giving written notification to Contractor.

7.03 Termination for Convenience of County: County may terminate this Contract at any time by providing a notice in writing to Contractor that the Contract is terminated. Said Contract shall then be deemed terminated and no further work shall be performed by Contractor. If the Contract is so terminated, the Contractor shall be paid for that percentage of the phase of work actually completed, based on a pro rata portion of the compensation for said phase satisfactorily completed at the time the notice of termination is received.

7.04 Termination of Funding: The parties acknowledge that the nature of government finance is unpredictable and that the rights and obligations set forth in this Contract are necessarily contingent upon the receipt and/or appropriation of the necessary funds. In the event that funding is terminated, in whole or in part, for any reason, at any time, this Contract and all obligations of County arising from this Contract shall be immediately discharged. County agrees to inform Contractor no later than thirty (30) calendar days after County determines, in its sole judgment, that funding will be terminated and the final date for which funding will be available.

ARTICLE 8. GENERAL PROVISIONS

8.01 Notices: Any notices to be given hereunder by either party to the other may be effected either by personal delivery in writing or by mail, registered or certified, postage prepaid and return receipt requested. Mailed notices shall be addressed to the parties at the addresses appearing in the introductory paragraph of this Contract, but each party may change the address by written notice in accordance with this paragraph. Notices delivered personally will be deemed communicated as of actual receipt; mailed notices will be deemed communicated as of two (2) days after mailing.

8.02 Entire Agreement of the Parties: This Contract supersedes any and all contracts, either oral or written, between the Parties hereto with respect to the rendering of services by Contractor for County and contains all the covenants and contracts between the Parties with respect to the rendering of such services in any manner whatsoever. Each Party to this Contract acknowledges that no representatives, inducements, promises, or contracts, orally or otherwise, have been made by any Party, or anyone acting on behalf of any Party, which are not embodied herein, and that no other contract, statement, or promise not contained in this Contract shall be valid or binding. Any modification of this Contract will be effective only if it is in writing signed by the Party to be charged and approved by the County as provided herein or as otherwise required by law.
8.03 **Partial Invalidity:** If any provision in this Contract is held by a court or competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

8.04 **Attorney's Fees:** If any action at law or in equity, including an action for declaratory relief, is brought to enforce or interpret the provisions of this Contract, the prevailing Party will be entitled to reasonable attorney's fees, which may be set by the court in the same action or in a separate action brought for that purpose, in addition to any other relief to which that Party may be entitled.

8.05 **Conformance to Applicable Laws:** Contractor shall comply with the standard of care regarding all applicable federal, state and county laws, rules and ordinances. No discrimination shall be made by Contractor in the employment of persons who work under this contract because of race, color, national origin, ancestry, disability, sex or religion of such person.

8.06 **Waiver:** In the event that either County or Contractor shall at any time or times waive any breach of this Contract by the other, such waiver shall not constitute a waiver of any other or succeeding breach of this Contract, whether of the same or any other covenant, condition or obligation.
