RESOLUTION - ACTION REQUESTED 2014-599

MEETING: November 25, 2014

TO: The Board of Supervisors

FROM: Chevon Kothari, Human Services Director

RE: SWERT Contract for MHSA Innovation Support

RECOMMENDATION AND JUSTIFICATION:
Approve an Agreement with the California State University (CSU) Fresno Foundation through its Social Welfare Evaluation Research and Training Center (SWERT) to assist with the development of the Mental Health Services Act (MHSA) Innovation Program in an amount not to exceed $49,999, and authorize the Board of Supervisors Chair to sign the Agreement.

The Department wishes to renew the contract with CSU Fresno Foundation through SWERT to assist with the development of the Mariposa County MHSA Innovation Program and to create an evaluation design that will be used to measure program outcomes.

SWERT will assist with the development of the MHSA Innovation Program and create an evaluation design that will be used to measure Project outcomes. It is anticipated that the evaluation will be designed to address individual, systemic and group dynamics. Mariposa County will require that SWERT include the stakeholders in this process. The Department selected this specific Innovation project after reviewing input from the community via a series of stakeholder meetings. It is anticipated that once implementation takes place, quarterly focus groups will be held with various agency, consumer and community members to review the Project and the use of Team Decision Making meetings. Data will be collected to track the decisions made during the Team Decision Making meetings and to determine whether these decisions resulted in the desired outcomes. It is further anticipated that the local Mental Health Board will be updated periodically throughout the lifetime of the Innovation Project.

Mental Health Board Review: This item was reviewed by the Mental Health Board at their regularly scheduled meeting on Thursday, December 6, 2012 and is forwarded to the Board of Supervisors with a positive recommendation.

Funding Source: This item is funded through the approved MHSA Innovation Plan. The total funding received for this program in FY13-14 was $84,514. The Innovation Program receives 5% of ongoing MHSA funds. These funds are received on a monthly basis based on statewide income tax receipts. The additional Innovation funding for FY14-15 will be approximately $65,000.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The previous contract was approved by Resolution 2013-565 on December 17, 2013. The MHSA Innovation Program was previously approved by your Board by Resolution 10-281 on June 1, 2010. The Program was approved and funded by the State Department of Mental Health on
August 24, 2010.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
If this contract is not approved, plans to implement the MHSA Innovation program will be hindered. The program will lack an effective evaluation design based on current best practices.

FINANCIAL IMPACT:
This item is funded through the approved MHSA Innovation Plan (410-0439). The Innovation Program receives 5% of ongoing MHSA funds. These funds are received on a monthly basis based on statewide income tax receipts. The additional Innovation funding for FY14-15 will be approximately $65,000. There is no impact on County General Fund dollars.

It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by County of insurance certificates and endorsements required under this Contract does not relieve Contractor from liability under this indemnification and hold harmless clause. 5.07 Assignment: Neither this Contract nor any duties or obligations under this Contract may be assigned by Contractor without the prior written consent of County.

5.08 State and Federal Taxes: As Contractor is not County’s employee, Contractor is responsible for paying all required state and federal taxes. In particular:

a. County will not withhold FICA (Social Security) from Contractor’s payments;

b. County will not make state or federal unemployment insurance contributions on behalf of Contractor;

c. County will not withhold state or federal income tax from payment to Contractor;

e. County will not obtain workers’ compensation insurance on behalf of Contractor.
5.09 **Records:** It is understood and agreed that all plans, studies, specifications, data magnetically or otherwise recorded on computer or computer diskettes, records, files, reports, etc., in possession of the Contractor relating to the matters covered by this Contract shall be the property of the County, and Contractor hereby agrees to deliver the same to the County upon request. It is understood and agreed that the documents and other materials including but not limited to those set forth hereinabove, prepared pursuant to this Contract are prepared specifically for the County and are not necessarily suitable for any future or other use.

5.10 **Contractor’s Books and Records:** Contractor shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the County for a minimum of three (3) years, or for any longer period required by law, from the date of final payment to the Contractor to this Contract. Any records or documents required to be maintained shall be made available for inspection, audit and/or copying at any time during regular business hours, upon oral or written request of the County.

5.11 **Assignability of Contract:** It is understood and agreed that this Contract contemplates personal performance by the Contractor and is based upon a determination of its unique personal competence and experience and upon its specialized personal knowledge. Assignments of any or all rights, duties or obligations of the Contractor under this Contract will be permitted only with the express written consent of the County.

**ARTICLE 6. OBLIGATIONS OF COUNTY**

6.01 **Cooperation of County:** County agrees to comply with all reasonable requests of Contractor and to provide access to all documents as permitted by law necessary to the performance of Contractor's duties under this Contract.

1. Bankruptcy or insolvency of Contractor;
2. Death of Contractor.

7.02 **Termination by County for Default of Contractor:** Should Contractor default in the performance of this Contract or materially breach any of its provisions, County, at
County's option, may terminate this Contract by giving written notification to Contractor.

7.03 **Termination for Convenience:** Either party may terminate this Contract at any time by providing thirty (30) days' advance written notice to the other party that the Contract is terminated. Said Contract shall then be deemed terminated and no further work shall be performed by Contractor. If the Contract is so terminated, the Contractor shall be paid for that percentage of the phase of work actually completed, based on a pro rata portion of the compensation for said phase satisfactorily completed at the time the notice of termination is received.

7.04 **Termination of Funding:** The parties acknowledge that the nature of government finance is unpredictable and that the rights and obligations set forth in this Contract are necessarily contingent upon the receipt and/or appropriation of the necessary funds. In the event that funding is terminated, in whole or in part, for any reason, at any time, this Contract and all obligations of County arising from this Contract shall be immediately discharged. County may terminate this Contract with thirty (30) days notice prior to the anniversary date of this Contract per California State Constitution Article XVI Section 18. In that event, County would be released from the second and subsequent years of this Agreement.

**ARTICLE 8. GENERAL PROVISIONS**

8.01 **Notices:** Any notices to be given hereunder by either party to the other may be effected either by personal delivery in writing or by mail, registered or certified, postage prepaid and return receipt requested. Mailed notices shall be addressed to the parties at the addresses appearing in the introductory paragraph of this Contract, but each party may change the address by written notice in accordance with this paragraph. Notices delivered personally will be deemed communicated as of actual receipt; mailed notices will be deemed communicated as of two (2) days after mailing.

8.02 **Entire Agreement of the Parties:** This Contract supersedes any and all contracts, either oral or written, between the Parties hereto with respect to the rendering of services by Contractor for County and contains all the covenants and contracts between the Parties with respect to the rendering of such services in any manner whatsoever. Each Party to this Contract acknowledges that no representatives, inducements, promises, or contracts, orally or otherwise, have been made by any Party, or anyone acting on behalf of any Party, which are not embodied herein, and that no other contract, statement, or promise not contained in this Contract shall be valid or binding. Any modification of this Contract will be effective only if it is in writing signed by the Party to be charged and approved by the County as provided herein or as otherwise required by law.
8.03 Partial Invalidity: If any provision in this Contract is held by a court or competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

8.04 Attorney's Fees: If any action at law or in equity, including an action for declaratory relief, is brought to enforce or interpret the provisions of this Contract, the prevailing Party will be entitled to reasonable attorney's fees, which may be set by the court in the same action or in a separate action brought for that purpose, in addition to any other relief to which that Party may be entitled.

8.05 Conformance to Applicable Laws: Contractor shall comply with the standard of care regarding all applicable federal, state and county laws, rules and ordinances. No discrimination shall be made by Contractor in the employment of persons who work under this contract because of race, color, national origin, ancestry, disability, sex or religion of such person.

8.06 Waiver: In the event that either County or Contractor shall at any time or times waive any breach of this Contract by the other, such waiver shall not constitute a waiver of any other or succeeding breach of this Contract, whether of the same or any other covenant, condition or obligation.

8.07 Governing Law: This Contract and all matters relating to it shall be governed by the laws of the State of California and County of Mariposa and any action brought relating to this Contract shall be held exclusively in a state court in the County of Mariposa.
