RE: Contract with the State Department of Mental Health for Ongoing Funds.

Recommendation

It is respectfully recommended that your Board authorize the Mental Health Department to continue to contract with the State Department of Mental Health to receive funds for the delivery of community mental health services, including Managed Care, for the entire county.

Background/Current Situation

To continue to receive Medicaid/Medi-Cal dollars, this County contracts with the State Department of Mental Health on an annual basis. On December 14, 2001, the State forwarded the contract for the current fiscal year and the County needs to enter into this contract.

Financial

The contract brings $112,918 into the County, which is revenue that was anticipated in the current fiscal year budget.
