RECOMMENDED ACTION AND JUSTIFICATION:  Policy Item: Yes  No  X
Adopt a resolution approving the road name “Guadalupe Mountain Road” as a name for easement road shown on the attached map. The road name is consistent with the road naming requirements of County Resolution No. 92-54. The County Fire Department has indicated that there have been problems for emergency service access in locations where the roads have no signage, confusion occurs with the result sometimes being loss of valuable response time. County Fire has expressed support for providing road names for roads like in this case. This area has an access historically know as Guadalupe Fire Road, as there was a nearby location for a CDF lookout in the past.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The Board adopted Resolution No. 92-541 in 1992 establishing criteria for naming non-County roads. The road naming criteria state that road names shall be developed around some historical, botanical, zoological or geological significance. All property owners served by the road must be notified, and a majority of the responding property owners must approve of the road name request.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
