Re: California Friday Night Live Partnership

**Recommendation**

To continue the California Friday Night Live Partnership Mentoring program it is respectfully requested that your board authorize the department to sign the contract with the Tulare County Superintendent of Schools.

**Background and Current Situation**

Mariposa County's Friday Night Live Partnership Mentoring grant was awarded to fund one of California's pilot mentoring programs. The pilot program was a tremendous success. The scope of work activities were clearly met, as can be seen in the forth quarter report, (the report is inclusive of all 4 quarters) which is attached for your convenience. The youth involved in the program were extremely proud to be chosen as mentors and enjoyed being a part the mentor and protégé relationship.

The contract for fiscal year 2002/2003 will allow the program to continue. Kings View has done a good job with this particular endeavor and will continue to deliver the program. The scope of work and deliverables of the program are outlined in EXHIBIT A of the contract. The State goals this year include a transition to the statewide model by January 2003. Although the transition shows reduction to 2 -3 sites, this is actually an expansion for Mariposa County as we only have one site at this time.

The relationship between Mariposa County and Kings View, for delivery of the FNL mentoring program, is included in the Alcohol and Drug Program Agreement.

**Financial**

The Tulare County Superintendent of schools was awarded a statewide grant. We receive a $21,000 sub-grant from Tulare. We are reimbursed for the costs of the FNL Mentoring program on a quarterly basis. A budget outline is included in the contract exhibits, as well as reporting and invoicing formats and dates. There are no local dollars involved.
