MARIPOSA COUNTY BOARD OF SUPERVISORS

MINUTE ORDER

TO: RICK PERESAN, Technical Services Director
FROM: MARGIE WILLIAMS, Clerk of the Board
BY: RACHEL PETTY, Clerk to the Board

SUBJECT: MARIPOSA COUNTY GIS DATA SHARING AGREEMENT WITH SIERRA TELEPHONE

Resolution No. 05-187

THE BOARD OF SUPERVISORS OF MARIPOSA COUNTY, CALIFORNIA

ADOPTED THIS Order on May 10, 2005

ACTION AND VOTE:

Consent Agenda item 6 – Discussion was held with Rick Peresan, Technical Services Director, who stated that Sierra Telephone has done an incredible job gathering Geographic Information System (GPS) data for their customers which has tremendous value for Mariposa County; however, they do not have parcel data. Although the Attorney General has concerns about the information being shared, this is a very reasonable way to maintain the Mariposa GPS system. He advised that the Public Works Department and Fire Department also utilize the data. Rick further advised that Sierra Telephone has volunteered to provide data from their GPS personnel in the field.

Chairman Pickard questioned whether SBC was also tracking this information and Rick advised that although they are and there may be an agreement between them and the county later down the road, it is not at the same level as Sierra Telephone. Supervisor Bibby stated that TDS in Hornitos has been challenging.

Rick stated that because the information is always changing, the information will be shared quarterly. (M) Turpin, (S) Stetson, Res. 05-187 was adopted, approving the agreement and authorizing the Chairman to sign the agreement/Ayes: Unanimous.

CA-6 Approve the Mariposa County Geographic Information System (GIS) Data Sharing Agreement with Sierra Telephone and Authorize the Chairman of the Board of Supervisors to Sign the Agreement (Technical Services Director); Res. 05-187
