TO: Members, Board of Supervisors

RE: Community Actions Programs / Child Abuse Prevention, Intervention, and Treatment (CAPIT) & Community Based Family Resource and Support (CBFRS) Funding

RECOMMENDATION

To continue receiving funding, it is respectfully recommended that your Board:

1. Authorize the Department of Human Services to submit a Notice of Intent and application to the State Department of Social Services (Office of Child Abuse Prevention) for Child Abuse Prevention, Intervention, and Treatment (CAPIT), Community Based Child Abuse Prevention (CBCAP) and Promoting Safe and Stable Families (PSSF) funding for the 2005-2008 grant cycle;

2. Authorize the Department of Human Services to release Request for Proposals for community organizations to apply for these funds;

3. Designate the Department of Human Services to administer these prevention programs; and

4. Authorize the Department of Human Services, to develop a three-year plan that administratively integrates CAPIT, CBCAP and PSSF, as required by the Office of Child of Abuse Prevention.

BACKGROUND

Mariposa County has received CAPIT/CBCAP/PSSF funding for eighteen years. In the past, CAPIT funds have largely been contracted to Kingsview for direct prevention services. In June of 2004, the County (Human Services Department) became the provider for these services. CBCAP has been contracted to various community organizations that provide child abuse prevention and family services. PSSF provides funding in four categories: Family Preservation; Family Support; Time-limited Family Reunification; and Adoption Promotion and Support. PSSF funds were previously applied for separately from CAPIT/CBCAP and services have been provided directly by the Child Welfare/Protection division of Human Services.

CURRENT SITUATION

The State Department of Social Services is requiring that the County develop a three-year expenditure plan and that we request proposals from service providers.
Mariposa County relies on these monies to fund programs for children who have been abused and/or neglected and for family services. To continue to bring these monies into the County, your Board can authorize the notice of intent and application to receive funding for 2005-2008. Your Board will be presented with requests for funding and asked to approve recommended allotments after Family Preservation and Support Program Planning Group review.

Statewide, the County Welfare Directors Association is lobbying for these dollars to be part of the basic child welfare allocation. Locally, to avoid disputes over these dollars, Community Action Programs has identified other funding sources for community organizations. Nevertheless, organizations will be given the opportunity to apply for these particular grants and your Board will make the funding decisions.

FINANCIAL

These are State and federally funded programs. No County match is required. The anticipated 2005-2008 allocations available to Mariposa County are $60,000 (CAPIT), $24,000 (CBCAP) and $20,912 (PSSF) annually.
NOTICE OF INTENT FOR MARIPOSA COUNTY 

The undersigned agrees that the county intends to contract or not contract with public or private nonprofit agencies to provide service, in accordance with Welfare and Institutions Code Article 4 (Section 18960, et. seq.) and family support services, in accordance with WIC Section 16600, et.seq.

In addition, the undersigned assures that allocations made by the County under the Child Abuse Prevention, Intervention and Treatment, Community Based Child Abuse Prevention, and Promoting Safe and Stable Families (supportive services) Programs will be used in the development, implementation, expansion or enhancement of a local network of child abuse prevention programs.

Please check the appropriate box.

☑ The County intends to contract with public or private nonprofit agencies to provide primary prevention services.

☐ The County does not intend to contract with public or private nonprofit agencies to provide primary prevention services.

The County Board of Supervisors designates The Human Services Department as the public agency to administer the combined Child Abuse Prevention, Intervention and Treatment, Community Based Child Abuse Prevention, and Promoting Safe and Stable Families (supportive services) Programs. Co-Agencies may be designated, if deemed beneficial by the Board.
