RECOMMENDED ACTION AND JUSTIFICATION: Request and recommend the Board of Supervisors approve a Budget Action transferring $1500 from Office Supplies to Fixed Assets for the purchase of a printer. The Technical Services Director has advised us that the printer we currently use is permanently out of service and if it is replaced with a like printer it too will have a short life. The printer suggested will allow us to have a useful printer for many years.

BACKGROUND AND HISTORY OF BOARD ACTIONS: Historically the board of Supervisors has approved transfers needed to cover necessary expenditures.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION: If not approved the office will have only one printer. A network could be created but the consequence would be two out of service printers and create the necessity to purchase a new one, which again will leave the office with one printer.
