Action Form Revised 5/92
July 6, 2001

TO: Members, Board of Supervisors  
    Greg Iturria
FROM: Cheryle Rutherford-Kelly
RE: Community Development Block Grant Annual Grantee Performance Report / 
    Public Hearing (99-STBG-1397)

Recommendation

It is respectfully recommended that your Board conduct a Public Hearing to receive 
public comment and a performance report on the status of the Native American Housing 
Rehabilitation Program, which is funded through a Community Development Block 
Grant, possible 2002 applications for CDBG funds and a review of program income.

Background

In 1999, this County received a Community Development Block Grant in the amount of 
$250,675 to rehabilitate Native American Housing over a three (3) year period. We sub 
contract with Self Help Enterprises. That organization provides outreach to the 
community and oversees construction.

Part of the requirements for receiving and administering this allocation are to conduct 
anual public hearings to receive Performance Reports and public input. Last year your 
Board held a hearing and received information on the program.

Current Situation

In 2000, (1) home was approved for rehabilitation and the construction was completed 
this year. The program is meeting its milestones but here have been some delays due to 
the Bureau of Indian Affairs concerns. Patsy Lewis, Staff Services Manager, advised that 
the Bureau of Indian affairs has been concerned that money was being spent throughout 
the USA on individuals who might not be members of a recognized tribe. We only 
rehabilitated one person who was American Indian but did not have tribal status and that 
action was taken before the BIA lodged its concern.

This grant expires in April 2002. If other monies become available in the future, we 
would ask your Board for permission to apply to assist other residents who live in 
substandard housing.
