## **RESOLUTION - ACTION REQUESTED 2015-69**

MEETING: February 10, 2015  
TO: The Board of Supervisors  
FROM: Doug Wilson, Interim Public Works Director  
RE: Approve Budget Action for the Airport

---

### **RECOMMENDATION AND JUSTIFICATION:**

Approve Budget Action Transferring Funds Within the Airport Operating Budget to Fund the Purchase of a Replacement Automated Weather Observing System (AWOS) for the Mariposa/Yosemite Airport (\$10,056). The AWOS receives then outputs current, accurate, weather data for the Mariposa / Yosemite Airport, and the existing model had become outdated and several components of the system are now obsolete and are no longer supported. .

Prior to the adoption of the FY 14/15 Final Budget, the Board approved the replacement of the AWOS at the Airport. It was the intention of staff to include the appropriate budget adjustments during Final Budget Adjustments, but this adjustment was inadvertently missed. To properly fund the purchase of this fixed asset the appropriate amount of funding needs to be approved and budgeted accordingly.

### **BACKGROUND AND HISTORY OF BOARD ACTIONS:**

On July 8, 2014, Resolution #2014-336, the Board approved the purchase of the Automated Weather Observing System (AWOS) for the Mariposa/Yosemite Airport.

### **ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:**

Do not approve; the fixed asset category in the Airport Fund will have insufficient funding to allow for the purchase of other approved fixed assets.

### **FINANCIAL IMPACT:**

**Increase Airport Fixed Assets - AWOS System budget, 610-0303-591-0645, \$10,056; decrease Professional Services - Contracts, 610-0303-591-0419, \$10,056.**
