RESOLUTION - ACTION REQUESTED 2015-161

MEETING: April 7, 2015

TO: The Board of Supervisors

FROM: Doug Binnewies, Sheriff-Coroner-Public Administrator

RE: 2015 Forest Service Law Enforcement Patrol Agreement

RECOMMENDED ACTION AND JUSTIFICATION:
Approve Agreement 12-LE-11051360-002 (2015 Forest Service Law Enforcement Patrol Agreement) with the United States Department of Agriculture, Sierra and Stanislaus National Forests for Law Enforcement Services on National Forest Lands, and Authorize the Board of Supervisors Chair to Sign the Agreement; Approve Modification 8 to the Grant Agreement and Authorize the Sheriff to Sign the Modification.

The United States Department of Agriculture is seeking an agreement with Mariposa County to provide law enforcement services on those lands that are designated as National Forest Lands. The law enforcement services that are to be provided by the Mariposa County Sheriff’s Office are intended to supplement the services being provided by National Forest Service Law Enforcement Personnel.

The Agreement identifies a targeted area of enforcement that will be reimbursed.
Targeted area:
1. Patrol activities within the Merced River Canyon, rural forest roads, campgrounds, recreation areas, trails, trail-heads and forest service facilities of Mariposa County.

Modification 8 to the Grant Agreement reflects the change to the minimum wage requirement, and while this has no impact to the Agreement, needs to be incorporated per Federal policies/procedures.

The Mariposa County Sheriff’s Office has a long history of working cooperatively with National Forest Law Enforcement Personnel, and a proven success record of locating and eradicating large cannabis growing operations on National Forest lands.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
The Board of Supervisors has approved similar agreements with the Department of Agriculture, Sierra and Stanislaus National Forests in past years.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
If the Agreement is not signed, Mariposa County will not be able to seek reimbursement from
the Department of Agriculture for law enforcement services provided on National Forest Lands. If the agreement is not signed, the Mariposa County Sheriff’s Office will continue to provide services and assistance to the Department of Agriculture, however all costs associated with providing those services will be bore exclusively by Mariposa County.

FINANCIAL IMPACT:
None, funding is provided by the USFS. Revenue has been included in the Fiscal Year 2015-16 Budget. No direct impact to the General Fund.

MINIMUM WAGE REQUIREMENT.

(a) Executive Order 13658. This contract-like instrument (for purposes of this clause only, contract) is subject to Executive Order 13658, the regulations issued by the Secretary of Labor in 29 CFR part 10 pursuant to the Executive Order, and the following provisions.

(b) Minimum Wages.

(1) Each worker (as defined in 29 CFR 10.2) engaged in the performance of this contract by the prime contractor or any subcontractor, regardless of any contractual relationship which may be alleged to exist between the contractor and worker, shall be paid not less than the applicable minimum wage under Executive Order 13658.

(2) The minimum wage required to be paid to each worker performing work on or in connection with this contract between January 1, 2015, and December 31, 2015, must be $10.10 per hour. The minimum wage must be adjusted each time the Secretary of Labor’s annual determination of the applicable minimum wage under section 2(a)(ii) of Executive Order 13658 results in a higher minimum wage. Adjustments to the Executive Order minimum wage under section 2(a)(ii) of Executive Order 13658 will be effective for all workers subject to the Executive Order beginning January 1 of the following year. If appropriate, the Contracting Officer, or other Agency official overseeing this contract shall ensure the contractor is compensated only for the increase in labor costs resulting from the annual inflation increases in the Executive Order 13658 minimum wage beginning on January 1, 2016. The Secretary of Labor will publish annual determinations in the Federal Register no later than 90 days before such new wage is to take effect. The Secretary will also publish the applicable minimum wage on www.dol.gov (or any successor website). The applicable published minimum wage is incorporated by reference into this contract.

(3) The contractor shall pay unconditionally to each worker all wages due free and clear and without subsequent deduction (except as otherwise provided by 29 CFR 10.23), rebate, or kickback on any account. Such payments must be made no later than one pay period following the end of the regular pay period in which such wages were earned or accrued. A pay period under this Executive Order may not be of any duration longer than semi-monthly.

(4) The prime contractor and any upper-tier subcontractor shall be responsible for the compliance by any subcontractor or lower-tier subcontractor with the Executive Order minimum wage requirements. In the event of any violation of the minimum wage obligation of this clause, the contractor and any subcontractor(s) responsible, therefore, shall be liable for the unpaid wages.

(5) If the commensurate wage rate paid to a worker on a covered contract whose wages are calculated pursuant to a special certificate issued under 29 U.S.C.
214(c), whether hourly or piece rate, is less than the Executive Order minimum wage, the contractor shall pay the Executive Order minimum wage rate to achieve compliance with the Order. If the commensurate wage due under the certificate is greater than the Executive Order minimum wage, the contractor shall pay the 14(c) worker the greater commensurate wage.

(c) **Withholding.** The Agency head shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the prime contractor under this or any other Federal contract with the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay workers the full amount of wages required by Executive Order 13658.

(d) **Contract Suspension/Contract Termination/Contractor Debarment.** In the event of a failure to pay any worker all or part of the wages due under Executive Order 13658 or 29 CFR part 10, or a failure to comply with any other term or condition of Executive Order 13658 or 29 CFR part 10, the contracting agency may on its own action or after authorization or by direction of the Department of Labor and written notification to the contractor, take action to cause suspension of any further payment, advance, or guarantee of funds until such violations have ceased. Additionally, any failure to comply with the requirements of this clause may be grounds for termination of the right to proceed with the contract work. In such event, the Government may enter into other contracts or arrangements for completion of the work, charging the contractor in default with any additional cost. A breach of the contract clause may be grounds for debarment as a contractor and subcontractor as provided in 29 CFR 10.52.

(e) The contractor may not discharge any part of its minimum wage obligation under Executive Order 13658 by furnishing fringe benefits or, with respect to workers whose wages are governed by the Service Contract Act, the cash equivalent thereof.

(f) Nothing herein must relieve the contractor of any other obligation under Federal, State or local law, or under contract, for the payment of a higher wage to any worker, nor must a lower prevailing wage under any such Federal, State, or local law, or under contract, entitle a contractor to pay less than $10.10 (or the minimum wage as established each January thereafter) to any worker.

(g) **Payroll Records.**

(1) The contractor shall make and maintain for 3 years the records containing the information specified in paragraphs (g)(1) (i) through (vi) of this section for each worker and shall make the records available for inspection and transcription by the authorized representatives of the Wage and Hour Division of the U.S. Department of Labor:
(i) Name, address, and social security number,
(ii) The worker’s occupation(s) or classification(s),
(iii) The rate or rates of wages paid,
(iv) The number of daily and weekly hours worked by each worker,
(v) Any deductions made; and
(vi) Total wages paid.

(2) The contractor shall also make available a copy of the contract, as applicable, for inspection or transcription by authorized representatives of the Wage and Hour Division.

(3) Failure to make and maintain or to make available such records for inspection and transcription shall be a violation of 29 CFR part 10 and this contract, and in the case of failure to produce such records, the Contracting Officer, upon direction of an authorized representative of the Department of Labor, or under its own action, shall take such action as may be necessary to cause suspension of any further payment or advance of funds until such time as the violations are discontinued.

(4) The contractor shall permit authorized representatives of the Wage and Hour Division to conduct investigations, including interviewing workers at the worksite during normal working hours.

(5) Nothing in this clause limits or otherwise modifies the contractor’s payroll and recordkeeping obligations, if any, under the Davis-Bacon Act, as amended, and its implementing regulations; the Service Contract Act, as amended, and its implementing regulations; the Fair Labor Standards Act, as amended, and its implementing regulations; or any other applicable law.

(h) The contractor (as defined in 29 CFR 10.2) shall insert this clause in all of its covered subcontracts and shall require its subcontractors to include this clause in any covered lower-tier subcontracts. The prime contractor and any upper-tier subcontractor shall be responsible for the compliance by any subcontractor or lower-tier subcontractor with this contract clause.

(i) Certification of Eligibility.

(1) By entering into this contract, the contractor (and officials thereof) certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor’s firm is a person or firm ineligible to be awarded Government contracts by virtue of the sanctions imposed pursuant to section 5 of the Service Contract Act, section 3(a) of the Davis-Bacon Act, or 29 CFR 5.12(a)(1).

(2) No part of this contract shall be subcontracted to any person or firm whose name appears on the list of persons or firms ineligible to receive Federal contracts.

(j) **Tipped employees.** In paying wages to a tipped employee as defined in section 3(t) of the Fair Labor Standards Act, 29 U.S.C. 203(t), the contractor may take a partial credit against the wage payment obligation (tip credit) to the extent permitted under section 3(a) of Executive Order 13658. In order to take such a tip credit, the employee shall receive an amount of tips at least equal to the amount of the credit taken; where the tipped employee does not receive sufficient tips to equal the amount of the tip credit, the contractor shall increase the cash wage paid for the workweek so that the amount of cash wage paid and the tips received by the employee equal the applicable minimum wage under Executive Order 13658. To utilize this proviso:

1. The employer shall inform the tipped employee in advance of the use of the tip credit;
2. The employer shall inform the tipped employee of the amount of cash wage that will be paid and the additional amount by which the employee's wages will be considered increased on account of the tip credit;
3. The employees shall be allowed to retain all tips (individually or through a pooling arrangement and regardless of whether the employer elects to take a credit for tips received); and
4. The employer shall be able to show by records that the tipped employee receives at least the applicable Executive Order minimum wage through the combination of direct wages and tip credit.

(k) **Antiretaliation.** It shall be unlawful for any person to discharge or in any other manner discriminate against any worker because such worker has filed any complaint or instituted or caused to be instituted any proceeding under or related to Executive Order 13658 or 29 CFR part 10, or has testified or is about to testify in any such proceeding.

(l) **Disputes concerning labor standards.** Disputes related to the application of Executive Order 13658 to this contract must not be subject to the general disputes clause of the contract. Such disputes must be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Part 10. Disputes within the meaning of this contract clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the workers or their representatives.

(m) **Notice.** The contractor shall notify all workers performing work on or in connection with a covered contract of the applicable minimum wage rate under the Executive Order. With respect to service employees on contracts covered by the Service Contract Act and laborers and mechanics on contracts covered by the Davis-Bacon Act, the contractor may meet this requirement by posting, in a prominent and accessible place at the worksite, the applicable wage determination under those statutes. With respect to workers performing work on or in connection with a
covered contract whose wages are governed by the FLSA, the contractor shall post a notice provided by the Department of Labor in a prominent and accessible place at the worksite so it may be readily seen by workers. Contractors that customarily post notices to workers electronically may post the notice electronically provided such electronic posting is displayed prominently on any website that is maintained by the contractor, whether external or internal, and customarily used for notices to workers about terms and conditions of employment.

**Total reimbursement for training may not exceed: $1,000.00**

**IV. EQUIPMENT:**

Any equipment purchase will be mutually agreed upon between the designated representatives or alternate representatives.

**Total reimbursement for equipment shall not exceed: $1,000.00**

**SPECIAL ENFORCEMENT SITUATIONS:**

A. Special Enforcement Situations include but are not limited to: Fire Emergencies, Drug Enforcement, and certain Group Gatherings.
B. Funds available for special enforcement situations vary greatly from year to year and must be specifically requested and approved prior to any reimbursement being authorized. Requests for funds should be made to the U.S. Forest Service designated representative listed in Item I-A of this Annual Operating Plan. The designated representative will then notify Cooperator whether funds will be authorized for reimbursement. If funds are authorized, the parties will then jointly prepare a revised Annual Operating Plan.

1. Drug Enforcement: This will be handled on a case by case basis. The request will normally come from the Patrol Captain; however, it may come from the Special Agent in Charge or their designated representative. Reimbursement shall be made at the rates specified in Section I-B. Deputies assigned to the incident will coordinate all of their activities with the designated officer in charge of the incident.

2. Fire Emergency: During emergency fire suppression situations and upon request by the Forest Service pursuant to an incident resource order, the Cooperator agrees to provide special services beyond those provided under Section II-A, within the Cooperator’s resource capabilities, for the enforcement of State and local laws related to the protection of persons and their property. The Cooperator will be compensated at the rate specified in Section I-B; the Forest Service will specify times and schedules. Upon concurrence of the local Patrol Captain or their designated representative, an official from the Incident Management Team managing the incident, Cooperator personnel assigned to an incident where meals are provided will be entitled to such meals.

3. Group Gatherings: This includes but is not limited to situations which are normally unanticipated or which typically include very short notices, large group gatherings such as rock concerts, demonstrations, and organization rendezvous. Upon authorization by a Forest Service representative listed in Section I-A for requested services of this nature, reimbursement shall be made at the rates specified in Section I-B. Deputies assigned to this type of incident will normally coordinate their activities with the designated officer in charge of the incident.

This includes but is not limited to situations which are normally unanticipated or which typically include very short notice, large group gatherings such as rock concerts, demonstrations, and organizational rendezvous.

V. BILLING FREQUENCY:
The Cooperator will furnish the Forest Service with itemized monthly statements for expenditures. The statement shall be in sufficient detail to allow the Forest Service to tie these expenditures back to reimbursable expenses and the rate schedule and shall be certified by the County of Mariposa as being current and proper. These statements must be accompanied by a Law Enforcement Activity Report, form FS-5300-5, filled out as required by Provision 11-G of the Cooperative Law Enforcement Agreement 12-LE-11051360-002.
