RESOLUTION - ACTION REQUESTED 2015-285

MEETING: June 16, 2015

TO: The Board of Supervisors

FROM: Doug Binnewies, Sheriff-Coroner-Public Administrator

RE: Approve Updated Professional Services Agreement with URS to Review the County’s LHMP

RECOMMENDATION AND JUSTIFICATION:
Approve an updated agreement with URS Corporation Americas (URS) to Review and Revise the Mariposa County Local Hazard Mitigation Plan (LHMP) in a Not to Exceed Amount of $65,000; authorize the Board of Supervisors Chair to Sign the new Agreement.

The original agreement expired on December 31, 2014, but the work on reviewing and revising the LHMP was not yet completed. The LHMP has now been reviewed by county staff and it is in its final phase of completion with only Board approval pending. Because of the length of time between the expiration of the original agreement and the anticipated completion date of the product, staff was advised that a new agreement was needed rather then amending the original agreement. The recommended action will enable the contractor (URS) to be under contract and compensated for their work during the completion process of this project.

On November 1, 2012 Mariposa County Fire/OES sent a Request for Proposals (RFP) to all three qualified LHMP consulting firms in California. One firm, URS, submitted a qualifying proposal on or before the submission deadline. Subsequent contact with the two who did not submit proposals revealed that Olson & Associates had committed to other LHMP projects and did not have sufficient staffing to complete this project in the required time frame and Howell Consulting could not complete the project within the defined budget limitation. While more than one qualifying bid would have been preferable, it has been determined by County Counsel that the Request for Proposals (RFP) process was conducted properly. Following County Fire/OES review and combined with a follow-up telephone interview it was determined that URS has the staff qualifications and expertise to complete the project in a timely manner and within the scope of work.

On January 22, 2013, the Board completed the adoption process for the County’s initial LHMP and the formal resolution and findings have been forwarded to and accepted by the Federal Emergency Management Agency (FEMA) Region IX. Mariposa County’s LHMP represents the state of the County as of June 2013. However, a LHMP is a dynamic document and the Federal Disaster Mitigation Act of 2000 (DMA 2000) mandates a LHMP be reviewed and updated every five years. The planning portion of the DRI grant offers funding to immediately review and update the initial plan. Doing so at this early time will immediately fill in the Plan’s portion of time between June 2011 and October 2013 and restart the five-year Disaster Mitigation Act of 2000 clock.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
On February 19th 2013, per Resolution 2013-055 the Board approved the original contract with URS.
This contract expired on December 31, 2014.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
Do not approve an updated agreement with URS. Staff will be unable to process payments for the work URS has completed on the LMPH after the expiration date of the original agreement, and the County will be unable to fully utilize the grant money for its intended purpose.

FINANCIAL IMPACT:
This project is included in and funded by the DRI-CDBG funding - Fund 515. The contract amount ($65,000) will be funded out of the Planning Project portion of the grant. The grant provides for a total of $175,000 to be used for planning purposes.

2.02 Contractor Qualifications: Contractor warrants that it has the necessary competence, experience and qualifications for the services to be performed.

County may not control, direct, or supervise Contractor's responsibility for assistants or employees in the performance of those services. Contractor assumes full performance of those services. Contractor assumes full and sole responsibility for the payment of all compensation and expenses of such assistants and for all state and federal income tax, unemployment insurance, Social Security, disability insurance and other applicable withholdings.

ARTICLE 4. COMPENSATION

Contractor shall furnish a certificate of insurance evidencing such insurance and naming the County as an additional insured for the above-cited liability coverage prior to commencing work. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by County of insurance certificates and endorsements required under this Agreement does not relieve Contractor from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Agreement, Contractor acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

5.06 Workers’ Compensation: During the term of this Agreement Contractor agrees to provide workers’ compensation insurance for Contractor’s employees and agents and agrees to hold harmless and indemnify County for any and all claims arising out of any injury, disability, or death of any of Contractor’s employees or agents.

any employee and/or employer contributions for CalPERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County.

5.08 State and Federal Taxes: As Contractor is not County’s employee; Contractor is responsible for paying all required state and federal taxes. In particular:

It is understood and agreed that the documents and other materials including but not limited to those set forth hereinabove, prepared pursuant to this Agreement are prepared specifically for the County and are not necessarily suitable for any future or other use. Contractor shall maintain such records for a minimum of three (3) years or as otherwise required by law.

5.10 Contractor’s Books and Records: Contractor shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the County for a minimum of three (3) years, or for any longer period required by law, from the date of final payment to the Contractor. Any records or documents required to be maintained shall be made available for inspection, audit and/or copying at any time during regular business hours, upon oral or written request of the County.

5.11 Assignability of Agreement: It is understood and agreed that this Agreement contemplates personal performance by the Contractor and is based upon a determination of its unique personal competence and experience and upon its specialized personal knowledge. 7.03 Termination for Convenience of County: County may terminate this Agreement at any time by mailing a notice in writing to Contractor that the Agreement is terminated. Said Agreement shall then be deemed terminated and no further work shall be performed by Contractor. If the Agreement is so terminated, the Contractor shall be paid for that percentage of the phase of work actually completed, based on a pro rata portion of the compensation for said phase satisfactorily completed at the time the notice of termination is received.

7.04 Termination of Funding: The parties acknowledge that the nature of government finance is unpredictable, and that the rights and obligations set forth in this Agreement are necessarily contingent upon the receipt and/or appropriation of the necessary funds. In the event that funding is terminated, in whole or in part, for any reason, at any time, this Agreement and all obligations of County arising from this Agreement shall be immediately discharged. County agrees to inform Contractor no later than thirty (30) calendar days after County determines, in its sole judgment, that funding will be terminated and the final date for which funding will be available.

ARTICLE 8. GENERAL PROVISIONS

Notices delivered personally will be deemed communicated as of actual receipt; mailed notices will be deemed communicated as of two (2) days after mailing.

8.02 Entire Agreement of the Parties: This Agreement supersedes any and all agreements, either oral or written, between the parties hereeto with respect to the rendering of services by Contractor for County and contains all the covenants and agreements between the parties with respect to the rendering of such services in any manner whatsoever. Each party to this Agreement acknowledges that no representations, inducements, promises, or agreements, orally or otherwise, have been made by any party, or anyone acting on behalf of any party, which is not embodied herein, and that no other agreement, statement, or promise not contained in this Agreement shall be valid or binding. Any modification of this Agreement will be effective only if it is in writing signed by the party to be charged and approved by the County as provided herein or as otherwise required by law.

8.03 Partial Invalidity: If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.
8.04 Attorney’s Fees: If any action at law or in equity, including an action for declaratory relief, is brought to enforce or interpret the provisions of this Agreement, the prevailing party will be entitled to reasonable attorneys’ fees, which may be set by the court in the same action or in a separate action brought for that purpose, in addition to any other relief to which that party may be entitled.

8.05 Conformance to Applicable Laws: Contractor shall comply with the standard of care regarding all applicable federal, state and county laws, rules and ordinances. No discrimination shall be made by Contractor in the employment of persons who work under this Agreement because of race, color, national origin, ancestry, disability, sex or religion of such person.

8.06 Waiver: In the event that either County or Contractor shall at any time or times waive any breach of this Agreement by the other, such waiver shall not constitute a waiver of any other or succeeding breach of this Agreement, whether of the same or any other covenant, condition or obligation.
