RECOMMENDED ACTION AND JUSTIFICATION: (Policy Item: Yes ___ No X ___)

Approve this resolution moving budget appropriations from Communication, Office Expense, and Programming to a new fixed asset account for the purchase of a storage shed from Tuff Shed for the Data Processing Department.

This request is necessitated by the fact that the DP Department exists as 2 offices and one jail cell (for most of our storage). We have cable, paper, ribbons, toners, office supplies, tools, parts, extra equipment (such as terminals, printers, etc.). Our jail cell is over-populated and we need a little more room.

BACKGROUND AND HISTORY OF BOARD ACTIONS:
Some time ago the Health Department purchased a storage shed from Tuff Shed. We have obtained a bid for one exactly like it. It is built sturdy. It is also very weather proof, and has worked extremely well for the Health Department. There is room for the Shed (out of sight) behind the Old Jail in the former exercise yard. The Sheriff’s Department has given their approval for Data Processing to utilize this space. This would be funded by squeezing monies from 3 different existing line items in Data Processing, with no negative impact on the overall County Budget.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:
We are about ready to overflow into hallways. Also, it is somewhat hazardous to have equipment stacked the way we currently do in the jail cell.
