Re: Personal Services Agreement for County Promotion

Dear Jeff:

I appreciate your counsel with respect to our proposal to broaden the scope of the Personal Services Contract beyond what was anticipated in our July 10 letter to you. Kim and I have discussed your suggestion of submitting two proposals, one that would analyze the effectiveness of the current program and make recommendations for future action (as proposed in our July 10 letter) and one that would also have us include two additional days of direct community involvement for the purpose of making the recommendations more specific and “testing the climate” for these recommendations (as I cursorily ran by you in telephone conversation last week). Your idea to let the Board choose between the two proposals is a good one but we decided the more prudent course of action at this point is to stick with our original thought of assessing the current operation first before we attempt to go any further.

We are, therefore, proposing that the contract amount be $7,500.00 (which includes our anticipated expenses). The total sum is to be paid upon submission of our written report and recommendations, which will constitute the completion of our services under the contract. Our work plan calls for us to begin work in October. It is our intent to spend two days in Mariposa working on the first “Activity” set forth in the attached work plan that can be used as the scope of work attachment to the contract, if you wish. We hope to have the written analysis and report of findings to the Board of Supervisors within 3-4 weeks of our visit.

Attached is the draft Personal Services Contract with the blank spaces filled in as you requested. Please let us know if you need any additional information to complete the final contract. Once again, we appreciate all your efforts and we look forward to working with Board and staff.

Sincerely,
Barkett Myrman Consulting

Kim Myrman and Joe Barkett
