

MARIPOSA COUNTY

Human Services/Behavioral Health & Recovery Services

RESOLUTION - ACTION REQUESTED 2015-410

MEETING: August 18, 2015
TO: The Board of Supervisors
FROM: Chevon Kothari, Human Services Director
RE: Joy McClure Mental Health Counseling Provider Contract

RECOMMENDATION AND JUSTIFICATION:

Approve an Agreement with Joy McClure in an Amount Not to Exceed \$80,000 to Provide Counseling Services for Mental Health Clients, and Authorize the Board of Supervisors Chair to Sign the Agreement. Ms. McClure is a Licensed Clinical Social Worker (LCSW) and will provide counseling services to clients that have Medicare, Medi-Cal, and/or private insurance.

Clients will be referred to independent contractors: a) for intake assessments, treatment plans and individual progress notes by Behavioral Health Services staff; and b) the Behavioral Health Social Work Supervisor overseeing clinical staff has made a determination that the referral to an independent contractor is appropriate. All independent contractors will work under the guidelines established by the Mental Health Services Contract currently in effect between the Human Services Department and the State Department of Mental Health as outlined in Exhibit A of the contract.

In 2008 the Mariposa County Mental Health Board recommended that the Human Services Department consider contracting out to independent counselors those mental health clients who could benefit from a community counseling setting based on their Global Assessment of Functioning (GAF) ratings. The GAF is a numeric scale (0 through 100) used by mental health clinicians and physicians to subjectively rate the social, occupational, and psychological functioning of adults, i.e., how well or adaptively one is meeting various problems-in-living. Under these guidelines, the staff of Mariposa County Behavioral Health (MCBH) can refer those clients to an independent contractor. The clients that are to be referred to the MCBH provider shall have a GAF score that is mutually agreed upon by MCBH and the MCBH independent provider. This eligibility is to be decided on a case by case basis.

The purpose behind this recommendation from the Mental Health Board was to shift a less restrictive caseload from county staff to independent counselors. Under an independent contract, a community counselor is able to provide billable Medicare, Medi-Cal, and/or Private Insurance services. This will free up staff resources within the Department which can then be directed to more complex cases and help to reduce waiting lists for services.

MENTAL HEALTH ADVISORY BOARD REVIEW:

On recurring contract renewals the Mental Health Advisory Board has set direction that such contracts will be available for review by the Mental Health Advisory Board members and do not require review unless there are changes in the provisions of the contract prior to coming to the

Resolution - Action Requested 2015-410

Board of Supervisors. This contract meets the criteria and is submitted to the Board of supervisors for a positive action.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The previous contract was approved by the Board on July 15, 2014 by Resolution 2014-346.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

This community provider contract will increase total Medicare and/or Medi-Cal billing through Mariposa County Behavioral Health. If the contract is not approved, total billing may be decreased.

FINANCIAL IMPACT:

These contract service providers are cost-neutral to Mariposa County because they generate offsetting revenue through the Medi-Cal and/or Medicare billing process. All other clients referred to this provider will be billed through her private practice and not reimbursable from Human Services. These independent contractors are responsible to provide for their own costs. The Department estimates that county staff will be able to increase revenue to the Department through increased billing, by billing at higher rates for more complex cases, and by increasing the frequency of visits by other clients; therefore, there is no anticipated current or future impact to the County General Fund.
