

MARIPOSA COUNTY

Public Works • (209) 966-5356

RESOLUTION - ACTION REQUESTED 2015-443

MEETING: September 15, 2015

TO: The Board of Supervisors

FROM: Tony Stobbe, Public Works Director

RE: Approve Agreement with Golder Associates to Destroy Well at the Mariposa County Landfill

RECOMMENDATION AND JUSTIFICATION:

Approve an Agreement with Golder Associates to Destroy a Monitoring Well and a Piezometer at the Mariposa County Landfill in the Not to Exceed Amount of \$30,912 and Authorize the Public Works Director to Sign the Agreement.

The Regional Water Quality Control Board (RWQCB) requested that well E-5 be destroyed because the well was extended vertically as waste was filled around it. Piezometer PZ-1 was constructed next to the well and will also be destroyed. The RWQCB requested destroying the well at the same time the three new monitoring wells are installed.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

On March 21, 2014, a Notice of Violation was issued for continued non-compliance of the Evaluation Monitoring Specifications from the Central Valley Regional Water Quality Control Board.

On July 15, 2014, Resolution No. 2014-354 the Board approved an Agreement for Purchase and Sale of Real Property with Dr. Northway and Ms. Susan Banchemo to purchase 7.6 +/- acres to install additional ground-water monitoring wells.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not approve. The County will continue to be out of compliance with Central Valley Regional Water Quality Control Board and face possible fines in the future.

FINANCIAL IMPACT:

Funding for the Agreement is budgeted in the Solid Waste & Recycling Fund. There is no impact to the General Fund.
