## RESOLUTION - ACTION REQUESTED 2015-410

MEETING: August 18, 2015  
TO: The Board of Supervisors  
FROM: Chevon Kothari, Human Services Director  
RE: Joy McClure Mental Health Counseling Provider Contract

---

### RECOMMENDATION AND JUSTIFICATION:

Approve an Agreement with Joy McClure in an Amount Not to Exceed \$80,000 to Provide Counseling Services for Mental Health Clients, and Authorize the Board of Supervisors Chair to Sign the Agreement. Ms. McClure is a Licensed Clinical Social Worker (LCSW) and will provide counseling services to clients that have Medicare, Medi-Cal, and/or private insurance.

Clients will be referred to independent contractors: a) for intake assessments, treatment plans and individual progress notes by Behavioral Health Services staff; and b) the Behavioral Health Social Work Supervisor overseeing clinical staff has made a determination that the referral to an independent contractor is appropriate. All independent contractors will work under the guidelines established by the Mental Health Services Contract currently in effect between the Human Services Department and the State Department of Mental Health as outlined in Exhibit A of the contract.

In 2008 the Mariposa County Mental Health Board recommended that the Human Services Department consider contracting out to independent counselors those mental health clients who could benefit from a community counseling setting based on their Global Assessment of Functioning (GAF) ratings. The GAF is a numeric scale (0 through 100) used by mental health clinicians and physicians to subjectively rate the social, occupational, and psychological functioning of adults, i.e., how well or adaptively one is meeting various problems-in-living. Under these guidelines, the staff of Mariposa County Behavioral Health (MCBH) can refer those clients to an independent contractor. The clients that are to be referred to the MCBH provider shall have a GAF score that is mutually agreed upon by MCBH and the MCBH independent provider. This eligibility is to be decided on a case by case basis.

The purpose behind this recommendation from the Mental Health Board was to shift a less restrictive caseload from county staff to independent counselors. Under an independent contract, a community counselor is able to provide billable Medicare, Medi-Cal, and/or Private Insurance services. This will free up staff resources within the Department which can then be directed to more complex cases and help to reduce waiting lists for services.

### MENTAL HEALTH ADVISORY BOARD REVIEW:

On recurring contract renewals the Mental Health Advisory Board has set direction that such contracts will be available for review by the Mental Health Advisory Board members and do not require review unless there are changes in the provisions of the contract prior to coming to the

## Resolution - Action Requested 2015-410

Board of Supervisors. This contract meets the criteria and is submitted to the Board of supervisors for a positive action.

### **BACKGROUND AND HISTORY OF BOARD ACTIONS:**

The previous contract was approved by the Board on July 15, 2014 by Resolution 2014-346.

### **ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:**

This community provider contract will increase total Medicare and/or Medi-Cal billing through Mariposa County Behavioral Health. If the contract is not approved, total billing may be decreased.

### **FINANCIAL IMPACT:**

**These contract service providers are cost-neutral to Mariposa County because they generate offsetting revenue through the Medi-Cal and/or Medicare billing process. All other clients referred to this provider will be billed through her private practice and not reimbursable from Human Services. These independent contractors are responsible to provide for their own costs. The Department estimates that county staff will be able to increase revenue to the Department through increased billing, by billing at higher rates for more complex cases, and by increasing the frequency of visits by other clients; therefore, there is no anticipated current or future impact to the County General Fund.**

In the event that funding is terminated, in whole or in part, for any reason, at any time, this Agreement and all obligations of County arising from this Agreement shall be immediately discharged. County agrees to inform Contractor no later than thirty (30) calendar days after County determines, in its sole judgment, that funding will be terminated and the final date for which funding will be available.

- 8.07 Governing Law: This Agreement and all matters relating to it shall be governed by the laws of the State of California and County of Mariposa and any action brought relating to this Agreement shall be held exclusively in a state court in the County of Mariposa.

# Independent Contract Provider Revision Beginning July 1, 2015

### I. Introduction:

- a) The purpose of this attachment is to:
- Provide a description of services to be provided for Mariposa County Behavioral Health (MCBH) by independent contractors (also referred to as contractor in this attachment) who are \*licensed clinical counselors and who agree to provide services for Medicare and/or Medi-Cal clients. (When there is a shortage of clinical staff at MCBH, some of our Medi-Cal clients will also be referred);
  - Outline the responsibility of contractors;
  - Insure quality assurance and
  - Clarify billing and other logistical matters.

### II. Description of Services:

- a) Beginning July 1, 2015, clients referred from MCBH to contractors are:
- Medicare and/or Medi-Cal clients;\* and
  - Clients with insurance and others as may be appropriate. (See IV, b below.)
  - Contractor will provide up to 3200 hours of individual supervision for unlicensed clinicians who are registered with the Board of Behavioral Sciences and contractor will assist them in preparing for the required tests.
    - II. Contractor will fill out all of the necessary paperwork with clinician.
    - III. Contractor will inform BHRS if clinician wishes to drop out of supervision prematurely.
- b) Exceptions include:
- If a provider currently sees GAF 50+ clients, they will remain with the independent contractor as long as the clients continue to meet medical necessity and as long as documentation is current.) Records for current Medi-Cal and Medicare clients will continue to be kept in Anasazi. All other insurance and private-pay clients seen by the contractor will require creation of a separate record keeping system. These records are not to be kept in Anasazi.
  - Clients requiring psychiatric services will continue to be referred out to contractors.
  - Crisis services for clients are to be referred to day-time or night-time crisis workers, unless the crisis can be handled by the contractor in the office.
- c) Medicare and/or Medi-Cal clients referred to a contractor may be seen as long as necessary for the purpose of stabilization. Clients seen over a period of time must continue to meet medical necessity. This must be reflected in updated assessments, treatment plans and progress notes. This will be monitored by Behavioral Health Utilization Review Committee.

### III. Contract Provider Responsibility

- a) Contractors will be responsible to document assessments, treatment plans, progress notes and signed release of information forms for Medicare and/or Medi-Cal in the Anasazi electronic record keeping system.
- b) Documentation for clients must be kept up to date. Out of date documentation may result in a suspension of payment for services until documentation is current. When treatment plans are out of date, any services provided, until the treatment plan is current and signed by clinician and client, will result in nonpayment for services by MCBH.
- c) After a second warning, contractors not in compliance with documentation guidelines (Policies and Procedures [P&P 6.2.2]), may be subject to termination.
- d) The contractor agrees to notify MCBH at least four weeks prior to terminating services and to provide a minimum of fifteen days written notice to affected clients.
- e) The contractor agrees to notify MCBH by calling the clinical manager and notifying him/her of the temporary inability to accept new Medicare and/or Medi-Cal clients. This suspension of referrals will exist until provider notifies MCBH that new referrals can be accepted. If a provider does not accept new referrals for a period of six-months the contract will be reviewed and, at the discretion of MCBH, the contract may be terminated unless it can be shown that extenuating circumstances exist requiring the provider to stop taking referrals.
- f) Contractors will provide only those services to Medicare and/or Medi-Cal clients that are specified and authorized by MCBH. Authorized services include:
  - Initial and annual updated assessment (when approved by MCBHRS)
  - Individual Therapy;
  - Group Therapy;
  - Family Therapy;
  - Plan Development;
  - Crisis Intervention; and
  - Annual case plan update.
- g) Contractor agrees to provide services to clients in accordance with legal and ethical standards as proscribed by all relevant professional, federal, state, and/or local regulatory and statutory requirements. These include, but are not limited to, policies and procedures concerning:
  - Treatment of minors. (P&P 6.4.2);
  - Access to Adolescent Client records by non-custodial parents, (P&P 6.4.3);
  - Child Protective and Adult Protective Services reporting requirements (P&P 6.4.1);
  - Tarisoff warnings (See P&P 6.4.5);
  - Court appearances. (See P&P 6.4.6); and
  - HIPAA training. (Contractor agrees to take HIPAA training from Mariposa County Behavioral Health prior to seeing clients.)

- h) When dealing with paper records, contractor agrees to abide by MCBH Policies and Procedures on:
  - o Retention and destruction of client information. (P&P 5.28);
  - o Privacy Complaints (P&P 5.24);
  - o Client confidentiality (P&P 5.25);
  - o Detection and reporting of fraud (P&P 6.21, also P&P 2.19.1-2:19.8 Compliance Plan);
  - o Patients' Rights Advocacy (P&P 6.5; 6.5.1);

  - o Discrimination and harassment in the workplace (P&P 1.6); and

- i) Contractor will display the following in an easy to see place in his/her office:
  - o Patients' rights posters;
  - o Patients' rights pamphlets;
  - o Grievance letters and envelopes;
  - o Consumer information brochures;
  - o Material about advance healthcare directives; and
  - o Information about beneficiary problem resolution in all threshold languages (These are currently in English and Spanish).
- j) Contractor agrees to offer equal availability and accessibility of services to both commercial enrollees and Medicare and/or Medi-Cal enrollees. Contractor shall offer hours of operation for Medicare and/or Medi-Cal enrollees that are no less than hours of operation offered to commercial enrollees, i.e., if the Contractor serves enrollees from a commercial plan as well as Medicare and/or Medi-Cal eligible clients, the hours the Contractor makes available for commercial enrollees, must be the same for Medicare and/or Medi-Cal enrolled clients. In other words, a provider cannot set aside a Saturday (or any other day) just for Medicare and/or Medi-Cal clients.

#### **IV. Quality Assurance**

- a) The MCBH Compliance Committee has the responsibility of assuring that high quality services are provided to the beneficiary in a safe, cost effective and efficient manner. (See Mariposa County Behavior Health and Recovery Services Compliance Plan.) The Compliance Committee reviews services and programs of public private providers in order to ensure:
  - o Accessibility;
  - o Fire clearance of contractor's office;
  - o Services are meaningful and beneficial to the client;
  - o Services are culturally and linguistically competent;
  - o Contractor uses Interpreter Line when a client does not speak English and has need for another language (P&P 6.9);
  - o Services produce highly desirable results through the efficient use of resources; and
  - o Services meet requirements for medical necessity
- b) The Compliance Committee (Compliance Officer) will monitor beneficiaries' satisfaction with services they are receiving from providers. MCBH management staff

will evaluate contract performance based on agreed upon measurable objectives as determined by client and clinician in the annual case plan.

- o If the MCBH staff, Grievance Review staff or any other committee of the MHP makes a finding that a provider may be deficient in rendering or managing care, or if other problem areas are discovered, procedures outlined in Policy and Procedures will be initiated. (See P&P 2.13, 2.13.1, 2.13.2, 2.13.5, 2.13.7.)
- o If these deficiencies or problem areas are verified, corrective sanctions may be applied. These sanctions may include mandatory review of all claims, periodic review of medical records, or termination of the provider's contract with MCBH.

- a. Contractors will be reimbursed for Medicare and/or Medi-Cal clients at the rates listed below and based on documentation in the Anasazi Electronic Health Records System.
