

MARIPOSA COUNTY

Board of Supervisors • (209) 966-3222

RESOLUTION - ACTION REQUESTED 2015-505

MEETING: October 27, 2015

TO: The Board of Supervisors

FROM: Merlin Jones, District II Supervisor

RE: Coulterville Trunk or Treat

RECOMMENDATION AND JUSTIFICATION:

Designate the Coulterville Trunk or Treat as an Annual County Sponsored Event. This year's Coulterville Trunk or Treat will be held on October 31, 2015, from 5 PM to 7 PM in the Coulterville Main Street public parking area. There will be approximately 15 to 20 vehicles taking part in the event that will provide a safe and secure area for residents in the community to bring their youngsters for trick or treating.

By designating the Coulterville Trunk or Treat as a County sponsored event the County accepts a degree of responsibility for activities during the event, because the event will be covered by the County's liability insurance. Although there is no additional cost, if there is a substantial claim it is possible that the County's insurance premium may be increased. Designating this as an annual County sponsored event, will allow Human Resources/Risk Management staff to include this event on the list of covered activities when renewing the County's insurance programs.

The Coulterville Trunk or Treat is a boost for local businesses as it brings community members to the downtown Coulterville area, and the local businesses will be open and taking part in this activity.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board has designated other local community activities as annual county sponsored events -- the Coulterville Coyote Howl is one example.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Without the County's participation the participants in the Coulterville Trunk or Treat would need to find their own insurance which may deter their participation in the event as this would increase their costs.
